À VOTRE TOUR!

John Wiley & Sons Incorporated The main objective of À votre tour! is to advance students to a level at which they can comfortably express themselves on a variety of French and francophone topics. Avoiding the excessive rigor of most intermediate texts, À votre tour! immerses students in authentic language and cultural contexts to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. New! Tête à tête communicative activities require one student to use communicative skills to elicit unknown details from another student in order to complete a task, with basic vocabulary and grammar structures recycled to reinforce previously learned material. New! Integrated video correlates to the Français Pratique section of each unit and to corresponding video activities provided in the Student Activities Manual. New! Updated cultural material highlights recent cultural trends, such as prices expressed in euros, French phone numbers with appropriate area codes; reflects the current political realities; and offers many entry points for further development of cultural awareness, grammar, and lexical points. A broad introduction to French and Francophone cultures provides authentic language and cultural contexts without an intense grammar curriculum—adapted for students who might take French as a minor, rather than a major. Accessible presentation enables students with basic conversational and grammar skills to achieve success through careful pacing, cyclical review and re-entry of structures and vocabulary, and engaging conversational material. Solid grammar review builds a framework by first covering basic structures and expressions, then adding more advanced concepts to expand students' linguistic abilities.

ÉDITH PIAF**A CULTURAL HISTORY**

Liverpool University Press The world-famous French singer Édith Piaf (1915-63) was never just a singer. This book suggests new ways of understanding her, her myth and her meanings over time at home and abroad, by proposing the notion of an 'imagined' Piaf.

THE NOVEL MAP**SPACE AND SUBJECTIVITY IN NINETEENTH-CENTURY FRENCH FICTION**

Northwestern University Press Revised and expanded version of the author's dissertation--Harvard, 2005, under the title: Novel selves: mapping the subject in Stendhal, Nerval and Proust.

THREADS AND TRACES**TRUE FALSE FICTIVE**

Univ of California Press "This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians."--Provided by publisher.

THE CAMBRIDGE COMPANION TO MEDIEVAL WOMEN'S WRITING

Cambridge University Press The Cambridge Companion to Medieval Women's Writing seeks to recover the lives and particular experiences of medieval women by concentrating on various kinds of texts: the texts they wrote themselves as well as texts that attempted to shape, limit, or expand their lives. The first section investigates the roles traditionally assigned to medieval women (as virgins, widows, and wives); it also considers female childhood and relations between women. The second section explores social spaces, including textuality itself: for every surviving medieval manuscript bespeaks collaborative effort. It considers women as authors, as anchoresses 'dead to the world', and as preachers and teachers in the world staking claims to authority without entering a pulpit. The final section considers the lives and writings of remarkable women, including Marie de France, Heloise, Joan of Arc, Julian of Norwich, Margery Kempe, and female lyricists and romancers whose names are lost, but whose texts survive.

PAINTED LOVE**PROSTITUTION IN FRENCH ART OF THE IMPRESSIONIST ERA**

Getty Publications In this engrossing book, Hollis Clayson provides the first description and analysis of French artistic interest in women prostitutes, examining how the subject was treated in the art of the 1870s and 1880s by such avant-garde painters as Cézanne, Degas, Manet, and Renoir, as well as by the academic and low-brow painters who were their contemporaries. Clayson not only illuminates the imagery of prostitution-with its contradictory connotations of disgust and fascination-but also tackles the issues and problems relevant to women and men in a patriarchal society. She discusses the conspicuous sexual commerce during this era and the resulting public panic about the deterioration of social life and civilized mores. She describes the system that evolved out of regulating prostitutes and the subsequent rise of clandestine prostitutes who escaped police regulation and who were condemned both for blurring social boundaries and for spreading sexual licentiousness among their moral and social superiors. Clayson argues that the subject of covert prostitution was especially attractive to vanguard painters because it exemplified the commercialization and the ambiguity of modern life.

NOUVEAU DICTIONNAIRE FRANÇOIS-ANGLAIS, ET ANGLAIS-FRANÇOIS. CONTENANT LA SIGNIFICATION ET LES DIFFERENS USAGES DES MOTS, ... DE MR. LOUIS CHAMBAUD; CORRIGÉ&CONSIDÉRABLEMENT AUGMENTÉ PAR LUI&PAR MR. J. B. ROBINET**STIGMATA**

ESCAPING TEXTS

Routledge Hélène Cixous -- author, playwright and French feminist theorist -- is a key figure in twentieth-century literary theory. *Stigmata* brings together her most recent essays for the first time. Acclaimed for her intricate and challenging writing style, Cixous presents a collection of texts that get away -- escaping the reader, the writers, the book. Cixous's writing pursues authors such as Stendhal, Joyce, Derrida, and Rembrandt, da Vinci, Picasso -- works that share an elusive movement in spite of striking differences. Along the way these essays explore a broad range of poético-philosophical questions that have become characteristic of Cixous' work: * love's labours lost and found * feminine hours * autobiographies of writing * the prehistory of the work of art *Stigmata* goes beyond theory, becoming an extraordinary writer's testimony to our lives and times.

FRENCH GRAMMAR IN CONTEXT

ANALYSIS AND PRACTICE

Hodder Education Taking authentic texts from a variety of sources - the human body on CD-ROM, a fish recipe, 'L'Etranger' and many others - this book uses them as a starting point for the illustration and explanation of key areas of French grammar. It includes a range of exercises, many of them text-based.

TEACHING FRENCH AS A MULTICULTURAL LANGUAGE

THE FRENCH-SPEAKING WORLD OUTSIDE OF EUROPE

This booklet proposes to approach the teaching of French from a multicultural perspective. The introductory section presents the reasons for recommending this orientation and the pedagogical advantages to be derived from it, emphasizing the fact that French serves as a link between several Francophone nations and their widely different cultures. Accordingly, a multicultural approach is viewed as more realistic than one that focuses solely on France, and more likely to broaden the appeal of the language as a tool for international communication. The second section offers a panorama of the Francophone regions of the world, with brief introductions to the historical and linguistic contexts into which the French language and culture were thrust, and with a list of basic readings on Francophone literature. The third section presents various activities for teaching about the cultures of the French-speaking world, arranged by level of language proficiency. The fourth section suggests ways of making or collecting instructional materials. The fifth section, a selected bibliography and guide to resources, lists sources of print and audiovisual materials for each Francophone region, including addresses of U.S. distributors and of Francophone nations' embassies in Washington. A HISTORY OF THE FRENCH IN LONDON

LIBERTY, EQUALITY, OPPORTUNITY

This book examines, for the first time, the history of the social, cultural, political and economic presence of the French in London, and explores the multiple ways in which this presence has contributed to the life of the city. The capital has often provided a place of refuge, from the Huguenots in the 17th

century, through the period of the French Revolution, to various exile communities during the 19th century, and on to the Free French in the Second World War. It also considers the generation of French citizens who settled in post-war London, and goes on to provide insights into the contemporary French presence by assessing the motives and lives of French people seeking new opportunities in the late 20th and early 21st centuries. It analyses the impact that the French have had historically, and continue to have, on London life in the arts, gastronomy, business, industry and education, manifest in diverse places and institutions from the religious to the political via the educational, to the commercial and creative industries.
