**Smashed, Squashed, Splattered, Chewed, Chunked and Spewed** Idjit Galoot goes for a canine romp just when his owner moves to Florida. Will they manage to find each other again? **The Unmentionables** *Vicious Galoot Books* A netherworld portal fumigates an entire town, driving the villagers mad. They direct their rage at one outcast youth. With the town after him, Greg turns to his grandfather's occult paraphernalia, building an army of reanimated pigs, piss-monkeys, and raccoon bodyguards. It's all headed for a showdown between good and evil in small-town Ohio. **Àbíkú** A Novel Taken from the Yoruba word meaning "born to die", "Abiku", "skillfully weaves reality with fantasy to create a mesmerizing, hypnotic and unforgettable novel that approaches a masterpiece of magic realism" (Dan Poynter, author of "Write and Grow Rich"). Sloughing Off the Rot John the Revelator awakens in a cave with no memory of his prior life. He is guided along by a demented madman and a philosophical giant and sets out on a quest to fill in his blank slate and slough off the rot of his soul. Part dark comedy road trip, part spiritual quest, and part horror story, this is John's transformation from repugnant wretch to reluctant hero. **Brainz, Inc.** *Head of Zeus* A dead woman hires Jake to investigate her murder. Jake Pace is halfway through mixing a batch of cookies when his lawyer arrives with a corpse. The body in the coffin is an android, built in the shape of recently deceased electronics heiress Sylvie Kirkyard and implanted with a chip that holds Sylvie's memories. Although she was only twenty-seven, Sylvie had for a long time feared for her life, and took the precaution of insuring her consciousness with Kirktronics' patented Brainz, Inc. method. Upon her death, the chip was implanted in this electronic body, and the body was brought to Jake. Luckily, as the planet's smartest private detective, Jake is used to corpses -- robotic and otherwise. When the dead girl awakes and asks him to find her killers, Jake doesn't blink an eye. But fulfilling her last request will be perilous, and by the time it's over Jake may wish he had a spare body of his own. **Costigan's Needle** A strange, new world awaits the terrified survivors of a spectacular crash through time. The citizens of an entire square block of a great city are uprooted from the only life they've ever known and cast into a timeless, wild landscape. Only the fittest are likely to survive, unless out of their terror they can build an orderly new civilization. **The Greatest Fucking Moment in Sports** Oscar Legbo is the 7-time winner of the Tour de Saucisse-Dommages, but lately he's been under stress. Having survived the Ebola virus and witnessed the death of his coach in the same 365-day period, he must now withstand the taunts and insults of riders who don't understand his two all-encompassing motivations for living... .. the sharing of Agape Love and the protection of bugs everywhere. **Life After Life** The global bestseller, now a major BBC series *Random House* **THE PRIZE-WINNING BESTSELLER**, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of **GONE GIRL** 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' **HILARY MANTEL**, author of **THE MIRROR AND THE LIGHT** \_\_\_\_\_ What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? **Life After Life** follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. \_\_\_\_\_ 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book **Behind the Scenes at the Museum**, which is one of my most favourite books ever.' Marian Keyes, author of **Rachel, Again** 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of **Audrey Niffenegger's The Time Traveler's Wife** or **David Nicholl's One Day**.. a rare book that you want to start again the minute you have finished.' The Times **Microbe Hunters** First published in 1927. **Zerostrata** After ten years, Hansel Nothing returns to his boyhood home, unable to remember anything that has happened to him since he left. Back home, he stays in **Zerostrata**, a treehouse in the backyard. The Nothing family is as dysfunctional and depressed as ever. His mother keeps a cat on her head and incessantly munches prescription medication. His father has left the house to pursue a career as a superhero. His brother has become a shut-in, brooding in the darkened basement. Hansel realizes, after a life of sadness, a life only half-remembered, the only thing he wants is for himself and his family to be happy. But what type of bizarre world must he enter to obtain this happiness? **Okla Hannali** *University of Oklahoma Press* Presents a fictionalized account of the history of the Choctaw Indians and their removal from Mississippi to what is now southern Oklahoma, as seen from the perspective of **Okla Hannali**, a Choctaw giant in the tradition of Paul Bunyan, who had a reputation as a farmer, fiddler, blacksmith, philosopher, and jack of many trades. **After Things Fell Apart** [eBook - Biblioboard] Aging former rock stars got together at the Nixon Institute to reminisce about the days when they could still think clearly. **The Amateur Mafia** (no Italians allowed) opened a strip joint in sin city, where you had to disrobe to get in. And the awesome **Lady Day** raiders started **Mankill, Inc.**... **A New Kind of Bleak: Journeys Through Urban Britain** *Verso Books* An anatomy of failed-state Britain, by the author of **A Guide to the New Ruins of Great Britain**. In **A Guide to the New Ruins of Great Britain**, Owen Hatherley skewered **New Labour's** architectural legacy in all its witless swagger. Now, in the year of the Diamond Jubilee and the London Olympics, he sets out to describe what the Coalition's altogether different approach to economic mismanagement and civic irresponsibility is doing to the places where the British live. In a journey that begins and ends in the capital, Hatherley takes us from Plymouth and Brighton to Belfast and Aberdeen, by way of the eerie urbanism of the Welsh valleys and the much-mocked splendour of modernist Coventry. Everywhere outside the unreal Southeast, the building has stopped in towns and cities, which languish as they wait for the next bout of self-defeating austerity. Hatherley writes with unrivalled aggression about the disarray of modern Britain, and yet this remains a book about possibilities remembered, about unlikely successes in the midst of seemingly inexorable failure. For as well as trash, ancient and modern, Hatherley finds signs of the hopeful country Britain once was and hints of what it might become. **Suicide, Inc.** No one knew who, or what, **Whistler** was--except that "he" was the mastermind of the Interplanetary Investigation Agency, known as **Suicide, Inc.** Its orders were issued through floating terminals and executed by androids and humanoids. And one human ex-criminal named **Smith**... **Where's Wallace?** *Simon & Schuster* **An orangutan**, loose from the zoo, visits all the busiest spots in town. **Life of a Pioneer: Being the Autobiography of James S. Brown** *DigiCat* This work is an autobiography of an early Mormon Pioneer, **James Stephens Brown**, who was a notable writer and speaker, was a prominent participant in the discovery of gold at **Sutter's Mill** in California. This significant work provides a window into the past. **Brown's** relationship with historical events of the moment contains the time when the territorial area of the great Republic was almost doubled by the addition of the Pacific slope and the Rocky Mountain region and when the great gold in California was discovered. The narrative of this book is presented in the simple and straightforward language of the people, with a clarity and power of expression that will be pleasing and impressive to every reader. The aim of the writer was to tell the story of his life for the advantage and amusement of his children and friends and of all others who may read it. **Brown** describes several compelling and startling incidents of his life with ease in this autobiography. **A Clash of Kings** *HarperCollins UK* "The second book in the "A Song of Ice and Fire" trilogy. **Sansa Stark** is trapped in marriage to the feeble **Lannister** boy, child of incest, who is **King Joffrey**. In the North the **Starks** prepare for battle with the **Lannisters**." -- From **fantasticfiction.com**. **Executioner Pierrepoint: An Autobiography** *Eric Dobby Publishing* **What's Your Poo Telling You?** *Random House* "With universal appeal (everyone poos, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a doctor) details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? All the greatest hits are here: **The Log Jam**, **The Glass Shard**, **The Deja Poo**, **The Hanging Chad** ... the list goes on. **Sidebar**s, **trivia**, over 60 euphemisms for number two, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?"--**Publisher's** description. **The Starship and the Canoe** *Mountaineers Books* "The **Starship and the Canoe** is neither a wilderness survival manual nor a book of blueprints. It is another of those rare books impossible to define: the kind that seeks you in time. And you will know it, live it, and consult it thereafter simply by name." --**Chicago Sun-Times** "Brower's superbly written book clutches at one's imagination." --**Publishers Weekly** "In the tradition of **Carl Sagan** and **John McPhee**, a bracing cerebral voyage past intergalactic hoopla and backwoods retreats." --**Kirkus Reviews** Originally published in 1978, **The Starship and the Canoe** is the remarkable story of a father and son: **Freeman Dyson** is a world-renowned astrophysicist who dreams of exploring the heavens and has designed a spaceship to take him there. His son **George**, a brilliant high school dropout, lives in a treehouse and is designing a giant kayak to explore the icy coastal wilderness of the Pacific Northwest and Alaska. Author **Kenneth Brower** describes with stunning impact their lives and their visions of the world. It is a timeless tale framed by modern science, adventure, family, and the natural world. **Farewell the Stranger** **Ahriman: Sorcerer** *Games Workshop* Book two in the **Ahriman** series **Ahriman**, greatest sorcerer of the **Thousand Sons** and architect of the **Rubic** that laid his **Legion** low, continues to walk the path towards salvation, or damnation. Searching for a cure for his **Legion**, he is forced to consider - was the great ritual somehow flawed from the very beginning? The answer may lie within the mysterious artefact known as the **Athenaeum of Kallimachus**, a grimoire of forgotten lore which is reputed to contain the exact words of the lost **Book of Magnus**... or, perhaps, even a transcription of the primarch's deepest and most secret thoughts. **The Elephant and the Bad Baby** *Penguin UK* **The Elephant and the Bad Baby** is the classic story from **Elfrida Vipont** and **Raymond Briggs**. The **Elephant** takes the **Bad Baby** for a ride and they go 'rumpeta, rumpeta, rumpeta down the road.' They help themselves to ice creams, pies, buns, crisps, biscuits, lollipops and apples, and the shopkeepers follow them down the road shouting and waving. All ends well as the **Bad Baby** learns to say 'Please' and his mother makes pancakes for everyone. **Elfrida Vipont** worked as a teacher, singer and writer. She wrote over 30 books and won the **Carnegie Medal** in 1950 for **Lark on the Wing**. **Raymond Briggs** has produced wonderful children's books including the classic titles **The Snowman**, **Father Christmas** and **When the Wind Blows** - all made into immensely successful films. **Raymond** lives in **Sussex**. Look out for these other titles by **Raymond Briggs**: **The Snowman**; **The Elephant and the Bad Baby**; **Father Christmas**; **Fungus the Bogeyman**; **Raymond Briggs's Christmas Little Library**; **The Father Christmas** it's a **Bloomin' Terrible Joke Book**; **Jim and the Beanstalk**; **Father Christmas Goes on Holiday** **Warriors of Ultramar** *Games Workshop* In the cold darkness of space, the voracious alian tyrannids travel from world to world, consuming all in a futile attempt to slake their hunger for bio-matter. Lying directly in their path is the industrial planet **Tarsis Ultra**, where **Captain Uriel Ventris** and the **Ultramarines** of **Fourth Company** stand shoulder to shoulder with their battle-brothers from the **Mortifactors Chapter**. As war rages and the situation looks bleak, **Uriel** must accept the barbaric traditions of his allies and act against the ancient tactics laid down in the holy **Codex Astartes** if there is to be any chance of

destroying the alien menace. Previous Titles: *Nightbringer* - 9781849708609 *Dark Hunters: Umbra Sumus* - 9781849708449 *Outlaw Cook* *Prospect Books (UK)* A dimension and resonance of experience almost never found in American food writing. *The Ugly One* *Houghton Mifflin Harcourt* At the height of the Incan empire, a girl called the Ugly One because of a disfiguring scar on her face, seeks to have the scar removed and instead finds a life path as a shaman. *World Clock Journals (The Complete Trilogy)* *Violent Siren Press* The complete *World Clock Journals* trilogy, a dystopian steampunk romance. Late Boston is a city held hostage by time. It has been five years since inventor Ezra Huxley's wife mysteriously disappeared through a portal in the time machine he was building. When he finally gives up hope and uses the same technology to craft a perpetual motion clock in the Custom House Tower, everything goes horribly wrong—at his daughter's wedding, no less. Time is shattered, and the citizens in its wake suffer an hourly reminder of the day they lost their sanity. And their freedom. The city is on lockdown to prevent the spread of time sickness, and now the clock is ticking. If they cannot find a way to fix the broken time machine plaguing Late Boston, the governor is prepared to take matters into his own hands and declare them a casualty of the war raging across the Atlantic. If you enjoy time travel romance, clockwork fantasy, and alternate history, this series is for you! *The Ill-Made Mute* *Open Road Media* In a dark and perilous realm, a nameless outcast seeks a voice, a past, and a future: "A dazzling debut" (Jennifer Roberson). In all of Erith, there is perhaps no one as wretched as the nameless mute foundling confined to the lowest depths of Isse Tower. Abused by many and despised by all, the pathetic creature lives without memories in the shadows. The amnesiac longs to escape—to roam the wild landscape in search of a past, a name, a destiny—but dangers surround the tower. Only flying ships and majestic winged horses carrying important visitors can reach the castle safely, landing high above the ground on its battlements. The local servants whisper about malevolent creatures that roam the forests and bear no love for humankind. Escape seems impossible in this treacherous world of wights and monsters. Praised as Australia's J. R. R. Tolkien, Cecilia Dart-Thornton has set a towering new standard for fantasy fiction, earning the respect and acclaim of readers, reviewers, and some of the world's most renowned fantasists. With roots firmly embedded in the ancient folklore of the British Isles, *The Ill-Made Mute*—the opening volume of Dart-Thornton's magnificent *Bitterbynde Trilogy*—introduces fantasy lovers to an unforgettable character whose remarkable adventures rival the epic trials of the *Bagginses* and the tales of *The Silmarillion*. *Graveyard Shift* *Information Press* *The Inferno has Evolved* Lana Harvey is a reaper, and a lousy one at that. She resides in Limbo City, the modern capital of the collective afterlives, where she likes to stick it to the man (the legendary Grim Reaper himself) by harvesting the bare minimum of souls required of her. She'd much rather be hanging out with Gabriel, her favorite archangel, at Purgatory Lounge. But when a shocking promotion falls in her lap, Lana learns something that could unravel the very fabric of Eternity. If the job isn't completed, there could be some real hell to pay. *Men, Women, and Boats* *1st World Publishing* Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. It hardly profits us to conjecture what Stephen Crane might have written about the World War had he lived. Certainly, he would have been in it, in one capacity or another. No man had a greater talent for war and personal adventure, nor a finer art in describing it. Few writers of recent times could so well describe the poetry of motion as manifested in the surge and flow of battle, or so well depict the isolated deed of heroism in its stark simplicity and terror. To such an undertaking as Henri Barbusse's "Under Fire," that powerful, brutal book, Crane would have brought an analytical genius almost clairvoyant. He possessed an uncanny vision; a descriptive ability photographic in its clarity and its care for minutiae - yet unphotographic in that the big central thing often is omitted, to be felt rather than seen in the occult suggestion of detail. Crane would have seen and depicted the grisly horror of it all, as did Barbusse, but also he would have seen the glory and the ecstasy and the wonder of it, and over that his poetry would have been spread. *Warning Miracle* *Lulu.com* *A Game of Thrones (A Song of Ice and Fire, Book 1)* *HarperCollins UK* HBO's hit series *A GAME OF THRONES* is based on George R.
