KEY=NIGHTSPELL - CUNNINGHAM FITZGERALD

Nightspell

Harper Collins Here be ghosts, the maps said, and that was all. In this haunted kingdom, ghosts linger—not just in the deepest forests or the darkest caverns, but alongside the living, as part of a twisted palace court that revels all night and sleeps through the daylight hours. Darri's sister was trapped in this place of fear and shadows as a child. And now Darri has a chance to save her sister . . . if she agrees to a betrothal with the prince of the dead. But nothing is simple in this eerie kingdom—not her sister, who has changed beyond recognition; not her plan, which will be thrown off track almost at once; and not the undead prince, who seems more alive than anyone else. In a court seething with the desire for vengeance, Darri holds the key to the balance between life and death. Can her warrior heart withstand the most wrenching choice of all?

Mistwood

Harper Collins The Shifter is an immortal creature bound by an ancient spell to protect the kings of Samorna. When the realm is peaceful, she retreats to the Mistwood. But when she is needed she always comes. Isabel remembers nothing. Nothing before the prince rode into her forest to take her back to the castle. Nothing about who she is supposed to be,

or the powers she is supposed to have. Prince Rokan needs Isabel to be his Shifter. He needs her ability to shift to animal form, to wind, to mist. He needs her lethal speed and superhuman strength. And he needs her loyalty—because without it, she may be his greatest threat. Isabel knows that her prince is lying to her, but she can't help wanting to protect him from the dangers and intrigues of the court . . . until a deadly truth shatters the bond between them. Now Isabel faces a choice that threatens her loyalty, her heart . . . and everything she thought she knew.

Death Sworn

Greenwillow Books When a young sorceress is exiled to teach magic to a clan of assassins, she will find that secrets can be even deadlier than swords. Sent to the assassins' cave hidden deep within the mountains, she expects no one will ever hear from her again. The last two sorcerers sent died within weeks of each other. Accidents? Or something more sinister? As Ileni navigates the dangers—both natural and human—of the caves, she'll discover secrets that have been kept for decades. And she'll find an ally in Sorin, the deadly young man who could be the assassins' next leader. With Sorin determined to protect her, sparks—magical and romantic—will fly. But will even he understand the choice she must make in the end?

Against everyone's advice, Cinderella—now Queen Ella—took a chance on young Tirza. She gave Tirza a home in the castle instead of banishing her. The queen told everyone Tirza was good and kind, not cruel like her older sisters. But now Queen Ella's famous glass slippers are missing, and there's only one suspect. . . . Tirza may have tried them on . . . but she didn't steal them. Now she must find the true thief before she loses her royal home. But as Tirza gets closer to the truth, she finds herself getting closer to something else: her sisters, who might not be quite as evil as Cinderella claims.
