IMU-CET

GATEWAY TO MARITIME EDUCATION

Educreation Publishing If you are preparing or being prepared for IMU-CET entrance exam, then surely you are proceeding toward your bright career. Our study materials are specially prepared, keeping in mind the requirements, syllabus, content, detailed solutions, latest samples, Thus it enables an average students to compete & qualify the all entrance exam. This book covers all types of Problems & Questions Patterns(Physics-Mathmatics-Chemistry-English-Aptitude and G.k with detail summery) generally asked in entrance examination-1.B.Sc. Degree in Nautical Science2. Higher National Diploma (HND) Nautical Science.3. Higher National Diploma (HND) Marine Engineering4.. 6 months Pre-Sea course for General Purpose Rating5. 4-Year Degree course in Marine Engineering6. 1-year Marine Engineering CourseGraduate Marine Engineer(GME)7. 2-year Marine Engineering course8. Pre-sea Training for Electro-Technical Officers on Merchant Ships9. B.Sc.[Maritime Hospitality Studies]10. Deck Cadet Course.1. This book covers all Guide & Introduction of Marine Worlds. 2. Shipping Company Sponsorship Tests and Previous Papers of IMU CET.3. Questions Pattern and Many More.....

XAM IDEA BIOLOGY FOR CBSE CLASS 12- 2021

VK Global Publications The new Xam Idea for Class XII Biology 2020-21 has been thoroughly revised, diligently designed and uniquely formatted in accordance with CBSE Examination requirements and NEW CBSE guidelines for the session 2020-2021. The features of the new Xam Idea are as follows: 1. The book has been thoroughly revised as per the new CBSE Syllabus 2020-2021. 2. The book is divided into two Sections: Part-A and Part-B. 3. Part-A includes the following: (a) Each Chapter is summarised in the form of precise notes under the heading 'Basic Concepts'. (b) All NCERT Textbook questions and important NCERT Exemplar questions have been incorporated. (c) Previous 10 Years' Questions have been added under different sections according to their marks. (d) Objective Type Questions have been included as per new CBSE guidelines. These include Multiple Choice Questions, Very Short answer questions and Assertion-Reason questions carrying 1 mark each. (e) Short Answer Questions carrying 2 marks each and Long Answer Questions carrying 3 marks and 5 marks have also been added. (f) A new section 'Case-based questions' has been added as per CBSE guidelines and Examination papers. (g) At the end of every chapter, Self-Assessment Test has been given to test the extent the grasp of the student. 4. Part-B includes the following: (a) CBSE Sample Question Paper 2020 with complete solution. (b) Blueprint as per latest CBSE Syllabus 2020-2021. (c) Unsolved Model Question Papers for ample practice by the student. (d) Solved CBSE Examination Papers 2020 (57/1/1), (57/1/2) and (57/1/3). (e) Solved sets of remaining four regions' CBSE Examination Papers are given in QR code.

NUMERICAL CHEMISTRY

AFCAT (FLYING TECHNICAL & GROUND DUTY BRANCH) 2022

Arihant Publications India limited 1. AFCAT Common Admission Test (Online) is prepared for the upcoming AFCAT entrance 2. The book is divided into 4 sections 3. Chapterwise Theory Notes are provided for better revision 4. Chapterwise MCQs are given for the quick grasping of concepts 5. Latest Solved papers 2020 & 2019 and 3 Practice Sets 6. Online practice sets are given to experience of the exam Aiming to "Touch the Sky with Glory" Indian Air Force invites for AFCAT Common Admission Test (Online) who wish to make careers at Air Force. Presenting the revised and updated edition of "AFCAT Common Admission Test (Online)" that is completely designed according to the prescribed syllabus. Giving the complete coverage to the syllabus, this book is divided into 4 sections. Each chapter is supported by not just with "Theory Notes" but also supplemented with MCQs for the quick grasping of the concepts. To get the insights of the pattern and question weightage, Each chapter is accompanied with previous years' AFCAT Questions. Latest Solved Papers 2020 & 2019 and 3 Practice Sets (with online attempt) are provided to promote awareness of the latest exam pattern. As the book covers complete syllabus with solved papers and online practice sets, it is a perfect study guide to expect successful shifting to the final phase of AFCAT i.e., Air Force Selection Board Interview. TOC Solved Paper 2020 (II), Solved Paper 2020 (I), Solved paper 2019 (II), Solved Paper (I), General Awareness, Verbal Ability in English, Numerical Ability, Reasoning and Military Aptitude Test, Practice Sets (1-3).

THE BUILDER

HIGHER ALGEBRA

Arihant Publications India limited The Classic Texts Series is the only of its kind selection of classic pieces of work that started off as bestseller and continues to be the bestseller even today. These classic texts have been designed so as to work as elementary textbooks which play a crucial role in building the concepts from scratch as in-depth knowledge of concepts is necessary for students preparing for various entrance exams. The present book on Higher Algebra presents all the elements of Higher Algebra in a single book meant to work as textbook for the students beginning their preparation of the varied aspects covered under Higher Algebra. The present book has been divided into 35 chapters namely Ratio, Proportion, Variation, Arithmetical Progression, Geometrical Progression, Harmonical Progression Theorems Connected with The Progression, Scales of Notation, Surds & Imaginary Quantities, The Theory of Quadratic Equations, Miscellaneous Equations, Permutations & Combinations, Mathematical Induction, Binomial Theorem Positive Integral Index, Binomial Theorem, Any Index, Multinomial Theorem, Logarithms, Exponential & Logarithmic Series, Interest & Annuities, Inequalities, Limiting Values & Vanishing Fractions, Convergency & Divergency of Series, Undetermined Coefficients, Partial Fractions, Recurring Series, Continued Fractions, Recurring Series, Continued Fractions, Indeterminate Equations of the First Degree, Recurring Continued Fractions, Indeterminate Equations of the Second Degree, Summation of Series, Theory of Numbers, The General Theory of Continued Fractions, Probability, Determinants, Miscellaneous Theorems & Examples and Theory of Equations, each subdivided into number of topics. The first few chapters in the book have been devoted to a fuller discussion of Ratio, Proportions, Variation and the Progressions. Both the theoretical text as well as examples have been treated minutely which will help in better understanding of the concepts covered in the book. Theoretical explanation of the concepts in points has been provided at the beginning of each chapter. At the end of each chapter, unsolved practice exercises have been provided to help aspirants revise the concepts discussed in the chapter. At the end of chapterwise study, miscellaneous examples have also been given along with answers and solutions to the unsolved examples covered in each chapter. All the relevant theorems covered under the syllabi of Higher Algebra have also been covered in the detail in this book. As the book covers the whole syllabi of Higher Algebra in detail along with ample number of solved examples, it for sure will help the students perfect the varied concepts covered under the Higher Algebra section.

THE ELEMENTS OF COORDINATE GEOMETRY

OBJECTIVE GENERAL ENGLISH

Arihant Publications India limited 1. 'Objective General English' help in revising & preparing the concepts of English of many competitive exams 2. It is divided into four parts; 3. This book thoroughly covers the General English section asked in a number of examinations 4. Preparation booster for various competitive examinations like Bank, NDA, CDS, SSC, MBA, MCA, UPSC, B.Ed. Exams, etc Being the global language English, it has become more than necessary for you to be affluent in the English Language. Whether you are studying, Working or preparing for an examination, almost all the competitive exams today are incomplete without test of English language. Arihant's "Objective General English" has been most preferred choice of students for preparing Objective English Questions for Competitive Examination presenting New, and Revised edition of Objective General English, that has been designed with a new approach to fundamental concepts and changing pattern of Competitive exams. It divides the entire syllabus in 4 categories which are further segregated into Units and Chapters. Each chapter comprehensively contains short synopsis, detailed description of important rule for the concept building in grammar. Revision exercises, Exam Practice and Answers are carried after every chapter that sets a perfect idea about the question pattern and how to deal with issues arises during examination. Apart from covering all the concepts of grammar, this book exhibits tricks & techniques to solve various types of questions. TOC Part A: Foundation Module, Part B: Verbal Ability, Part C: Sequence of Sentences, Objective Comprehensive, Part D: Practical Grammar.

CONCEPTS OF PHYSICS

EXPERIMENTS IN PLANT HYBRIDISATION

Cosimo, Inc. Experiments which in previous years were made with ornamental plants have already afforded evidence that the hybrids, as a rule, are not exactly intermediate between the parental species. With some of the more striking characters, those, for instance, which relate to the form and size of the leaves, the pubescence of the several parts, etc., the intermediate, indeed, is nearly always to be seen; in other cases, however, one of the two parental characters is so preponderant that it is difficult, or quite impossible, to detect the other in the hybrid. from 4. The Forms of the Hybrid One of the most influential and important scientific works ever written, the 1865 paper Experiments in Plant Hybridisation was all but ignored in its day, and its author, Austrian priest and scientist GREGOR JOHANN MENDEL (1822-1884), died before seeing the dramatic long-term impact of his work, which was rediscovered at the turn of the 20th century and is now considered foundational to modern genetics. A simple, eloquent description of his 1856-1863 study of the inheritance of traits in pea plants Mendel analyzed 29,000 of them this is essential reading for biology students and readers of science history. Cosimo presents this compact edition from the 1909 translation by British geneticist WILLIAM BATESON (1861-1926).

INTERNATIONAL REVIEW OF CYTOLOGY

Academic Press International Review of Cytology

PSYCHOSYMBOLY - THE POWER OF SUBCONSCIOUS MIND

Psycho means Mind and Symbology means Communication via pictures. Psychosymbology teaches you how to contact the part of your brain which contains all the secrets. Especially, we people often use only our left brain. The left side brain is very linear and rational. The right side brain is used very little by us and the scientists are very much astonished by this fact of right brain activities. The right side brain has become the treasure of knowledge and creativeness. Normal human use their 5 - 10% of brain and Genius use their 15 - 20 % by this concept of brain usage researchers wanted to know the benefits dreams and deep sense of its powers. Right brain powers are unbelievable. Most of the time, all People just use their Left Brain only. Very few people only know the secret of using Right brain but that's not a very big secret to follow. Just some simple practices to follow in our daily life. One can achieve any kind of thing by using their Right Brain. There are some symbols and colours to activate our Right brain. By using these kinds of techniques one can easily achieve the highest level in their life. It is the language of brain, it's easy to learn, easy to use, and easy to develop the greatest source of human psychic power ever discovered by man. The right part of brain is a vast and boundless sea of knowledge, wisdom, and potential. It remains untapped because people try to communicate with it through the use of words. But the sub-conscious does not understand words. Practicing Psychosymbology is easy; you have to concentrate on a specific symbol according to your need. By gazing at a symbol you are permitting your sub-conscious mind (right brain) to respond to that stimulus in its own way, with out dictating your desire, need or wish, you leave every thing for the higher forces.

GGSIU

BBA COMMON ENTRANCE TEST (CET) GUIDE

Ramesh Publishing House The present book is specially published for the aspirants of 'Bachelor of Business Administration (BBA)' Common Entrance Test (CET) organised by the Guru Gobind Singh Indraprastha University, Delhi. Based on the current exam pattern, the book comprises Solved Previous Years' Papers for aspirants to make them familiar with the exam pattern and the type of questions asked, and their answers. Detailed Explanation have also been provided for Selected Questions. The book contains ample amount of Study and Practice Material comprising numerous solved MCQs on all the subjects & topics important from the point of view of the exam. All the Practice questions have been solved by respective subject-experts with due diligence. To an earnest reader the book will definitely prove very useful for study, self-practice, and during the precious moments before the exam for reference and revision. The book is highly recommended for the aspirants to Sharpen their Problem Solving Skills with intensive practice of actual exam-style questions and numerous practice questions provided in the book, and prepare themselves to face the exam with Confidence, Successfully. While the specialized study and practice material of this book Paves the Way for your Success, your own intelligent study and intensive practice with this will definitely ensure you a Well-deserved Entry into the Prestigious Institution leading you to a Successful Career.

ANDHRA PRADESH EAMCET ENGINEERING 20 YEARS SOLVED PAPERS 2021

Arihant Publications India limited 1. Andhra Pradesh EAMCET Engineering is a preparatory guide 2. Provides last 20 Years' Solved Papers [2020-2001] 3. Solutions are provided with well explained details for better understanding The Andhra Pradesh State Council of Higher Education (APSCHE) has announced the admissions in Andhra Pradesh Engineering Agricultural and Medical Common Entrance Test (AP EAMCET). Students are required proper preparation and practice of the syllabus in order to get admissions in the best colleges of the state. The revised edition of "AP EAMCET Engineering Solved Papers" serves as a practice tool for the aspirants who are going to appear in the upcoming EAMCET. This book is prepared to give the complete coverage to all the online papers that were conducted in last 20 years. Moreover, solutions provided for every paper is well explained and elaborated with proper facts and figures. Thorough practice done from this book ensures good ranking and selection in the top colleges and institutions. TOC Ap Eamcet Engineering Solved Papers 2020, Ap Eamcet Engineering Solved Papers 2019, Ap Eamcet Engineering Solved Papers, 2018

INTRODUCTION TO MACHINE LEARNING

MIT Press The goal of machine learning is to program computers to use example data or past experience to solve a given problem. Many successful applications of machine learning exist already, including systems that analyze past sales data to predict customer behavior, optimize robot behavior so that a task can be completed using minimum resources, and extract knowledge from bioinformatics data. Introduction to Machine Learning is a comprehensive textbook on the subject, covering a broad array of topics not usually included in introductory machine learning texts. Subjects include supervised learning; Bayesian decision theory; parametric, semi-parametric, and nonparametric methods; multivariate analysis; hidden Markov models; reinforcement learning; kernel machines; graphical models; Bayesian estimation; and statistical testing. Machine learning is rapidly becoming a skill that computer science students must master before graduation. The third edition of Introduction to Machine Learning reflects this shift, with added support for beginners, including selected solutions for exercises and additional example data sets (with code available online). Other substantial changes include discussions of outlier detection; ranking algorithms for perceptrons and support vector

machines; matrix decomposition and spectral methods; distance estimation; new kernel algorithms; deep learning in multilayered perceptrons; and the nonparametric approach to Bayesian methods. All learning algorithms are explained so that students can easily move from the equations in the book to a computer program. The book can be used by both advanced undergraduates and graduate students. It will also be of interest to professionals who are concerned with the application of machine learning methods.

DOCTOR'S ORDERS

After an explosive end to his relationship, Drew Campbell heads home. Sparks fly when he meets local midwife, Hayley, and she and the young doctor end their argument in a way he never saw coming. As their relationship grows, Hayley's torn between staying in the small town she's made her home, and moving to the big city with Drew. An emergency situation sees her on his doorstep, and Drew's reluctant to let go. Especially with the attention she's attracted from an unwanted source. One who's used to getting his own way. The second book in the Copper Creek story also features the continuing story of Adam and Lily. Adam's demons are never far away, and his past still has the ability to hurt them both.

MAHARASHTRA CET-MBA 2021 WITH SOLVED PAPERS & MOCK PAPERS

[Arihant Publications India limited](#) Maharashtra Common Entrance Test (MHT CET 2020) is a state level common entrance test for the admission to PG Courses. After clearing the MHT CET test, a candidate qualifies for admission to all MBA/MMS courses in the state of Maharashtra. The exam is conducted through online mode i.e. Computer Based test comprises of objective-type questions. Maharashtra CET - MBA 2020 with Solved Papers & Mock Papers is designed as a complete reference Manual for this exam, has been prepared to meet all the needs of the students who are taking this exam. This book provides comprehensive treatment of all four sections i.e. Logical Reasoning, Abstract Reasoning, Verbal Ability & Reading Comprehension and Quantitative Aptitude is the distinguishing feature of the book. The treatment of the subject matter is according to subject level required for MBA/MMS CET and according to the test pattern. It also includes the Solved Papers [2019-2006] & 3 Mock Tests that gives 100% detailed explanation so that students can understand the question paper pattern, types of important questions and concepts provided in every question help them to understand easily and make them absolutely exam ready. TABLE OF CONTENT Solved Papers [2019-2006], Mock papers: Crack MHT CET MBA Mock (1-3).

(FREE SAMPLE) 400+ NEW PATTERN CASE STUDY MCQS FOR CBSE BOARD CLASS 12 - PHYSICS, CHEMISTRY, MATHEMATICS & BIOLOGY

THE UNITED STATES ARMY AND NAVY JOURNAL AND GAZETTE OF THE REGULAR AND VOLUNTEER FORCES

THE PEARSON GUIDE TO CET: MBA MAHARSHTRA

[Pearson Education India](#) The meticulously designed The Pearson Guide to CET: MBA Maharashtra caters to the needs of students yearning to crack this test. This book deals with all the sections that are tested in the real examination and has a to-the-point approach. Study material of the book is easy-to-understand and based on the trends of previous years' question papers making it all the more authentic.

COMPLETE MATHEMATICS

B. PHARM (BACHELOR OF PHARMACY) ENTRANCE EXAM GUIDE

[Ramesh Publishing House](#) The present book has been specially published for the aspirants of 'Bachelor of Pharmacy' Entrance Exam. The book comprises, along with the latest study and practice material, Solved Previous Year Paper which will prove extremely useful for aspirants to be well-conversant with the exam pattern, the type of questions asked and their answers. Detailed Explanatory Answers have also been provided for selected questions for Better Understanding. It will also serve as a true test of your studies and preparation of exam with actual exam-questions and numerous practice-questions given in exhaustive exercises. All questions are solved by the respective subject-experts. The book is highly recommended for the aspirants to study well and sharpen their problem solving skills by practising through it to face the exam with Confidence, Successfully. While the specialised study and practice material of this book is published with the sole aim of Formulating your Success, your own intelligent study and practice, in Synergy with this, will definitely ensure you a seat in the Prestigious course paving the way for a Bright Career.

BIODIVERSITY AND ITS VALUE

UGC NET ECONOMICS (E)

University Grants Commission National Eligibility Test (UGC NET) is a national level test which is held twice in a year by Central Board of Secondary Education (CBSE) on behalf of UGC. This test is for Junior Research fellowship (JRF) and Assistant Professor or for both in Indian Colleges & Universities. UGC NET Examination consists of 2 papers: Paper -1 is compulsory for all students and Paper -2 is related to candidates' Post Graduation Subject. NTA UGC NET/ JRF/ SET- ECONOMICS paper 2 book is designed according to the latest pattern and syllabus of the UGC NET applicable from June 2019 Examination. It covers all the aspects and concepts of Economics in detail that are mention in the book,

completely covers whole syllabus in chapter wise manner which are divided into 10 units with more than 4000 multiple choice questions for thorough practice, also includes previous years' questions, 3 model papers as per the examination pattern and 3 Solved Papers: Solved Paper 2019 (June), Solved Paper 2018 (December) and Solved Paper 2018 (July), . All these features will make it a ladder of success in the preparation and will open great future possibilities for the aspirants. S TABLE OF CONTENTS Solved Paper 2019 (June), Solved Paper 2018 (December), Solved Paper 2018 (July), Unit I: Micro Economics, Unit II: Macro Economics, Unit III: Statistics and Econometrics, Unit IV: Mathematical Economics, Unit V: International Economics, Unit VI: Public Economics, Unit VII: Money and Banking, Unit VIII: Growth and Development Economics, Unit IX: Environmental Economics and Demography, Unit X: Indian Economy, Model Papers (1-3).

MATERIAL SCIENCES AND TECHNOLOGY

Trans Tech Publications Ltd Volume is indexed by Thomson Reuters CPCI-S (WoS). These are peer-reviewed papers selected from the 2012 Spring International Conference on Material Sciences and Technology (MST-S) held on May 27-30th 2012 in Xi'an, China. The 203 papers are grouped into 11 chapters: Analytical Chemistry; Physical Chemistry; Organic Chemistry; Inorganic Chemistry; Catalytical Chemistry; Biochemistry; Applied Chemistry; Nanomaterials; Materials Science; Metals; Application of Modeling.

MASS COMMUNICATION IN INDIA, FIFTH EDITION

Jaico Publishing House Third Completely Revised and Updated Edition Mass Communication in India is a result of the author s in-depth study and understanding of the media. The book deals with a general introduction to Communication Theory, Advertising, Television, Effects of Media and Development. In short, the book is designed to give the student of Mass Communication a general and comprehensive view of the modern and traditional media in India. It meets the objective of being a text book as well as a book that gives an overview of mass communication in India.

PROBLEMS IN GENERAL PHYSICS

THIRTY DAYS TO BETTER ENGLISH

Signet Book Fifteen minutes a day for one month is the time factor involved in this selfimprovement guide to correct vocabulary, spelling, pronunciation, and grammar

A MODERN APPROACH TO LOGIC REASONING

OBJECTIVE GENERAL KNOWLEDGE

Prabhat Prakashan This book, 'Objective General Knowledge', offers wide range of questions covering all the sections that come under the subject, G.K. This book is of high value to the students need a kind of single source to keep their knowledge update. This book will surely fulfil that requirement. The book provides an in-depth knowledge of Indian culture, history, polity, science, geography and many more in the form of MCQs with answer and explanations.

OBJECTIVE GENERAL ENGLISH

HANDBOOK OF PHYSICS

Arihant Publications India limited Physics of higher level has too many concept and remembering all them on tips all the time is not an easy task. Handbook of Physics is an important, useful and compact reference book suitable for everyday study, problem solving or exam revision for class XI - XII, Engineering & Medical entrances and other Competitions Aspirants. This book is a multi-purpose quick revision resource that contains almost all key notes, terms, Definitions and formulae that all students & professionals in physics will want to have this essential reference book within easy reach. Its unique format displays formulae clearly, places them in the context and crisply identifies describes all the variables involved, summary about every equation and formula that one might want while learning physics is one of the unique features of the book, a stimulating and crisp extract of fundamental physics is to be enjoyed by the beginners and experts equally. The book is best-selling from its first edition and one of the most useful books of its type. Table of contents Measurement, Vectors, Motion in a Straight Line, Projectile Motion and Circular Motion, Laws of Motion, Work, Power and Energy, Rotational Motion, Gravitation, Elasticity, Hydrostatics, Hydrodynamics, Surface Tensions, Thermometry and Calorimetry, Kinetic Theory of Gases, Thermodynamics, Transmission of Heat, Oscillations, Waves and Sound, Electrostatics, Current Electricity, Heating and Chemical Effects of Currents, Magnetic Effect of Current, Magnetism, Electromagnetic Induction, Alternating Currents, Ray Optics, Wave Optics, Electrons, Photons and X-rays, Atomic Physics, Nuclear Physics, Electronics, Electromagnetic Waves and Communication, Universe, Basic Formulae of Physics, Nobel Laureates in Physics, Famous Physicists and their Contributions.

PROBLEMS IN CALCULUS OF ONE VARIABLE

ORGANIC CHEMISTRY

Wiley On the cover of this book is a Pacific yew tree, found in the ancient forests of the Pacific Northwest. The bark of the Pacific yew tree produces Taxol, found to be a highly effective drug against ovarian and breast cancer. Taxol blocks mitosis during eukaryotic cell division. The supply of Taxol from the Pacific yew tree is vanishingly small, however. A single 100-year-old tree provides only about one dose of the drug (roughly 300 mg). For this reason, as well as the spectacular molecular architecture of Taxol, synthetic organic chemists fiercely undertook efforts to synthesize it. Five total syntheses of Taxol have thus far been reported. Now, a combination of isolation of a related metabolite from European yew needles, and synthesis of Taxol from that intermediate, supply the clinical demand. This case clearly demonstrates the importance of synthesis and the use of organic chemistry. It's just one of the many examples used in the text that will spark the interest of students and get them involved in the study of organic chemistry!

SIGMAR POLKE

WORKS & DAYS

Ce catalogue d'exposition réunit toutes les dernières oeuvres de Polke, faisant le point sur toute sa carrière et toutes les découvertes de cet artiste exceptionnel. Depuis quatre décennies, il explore les styles, les thèmes et les matériaux et prend pour champ de réflexion le rôle de l'art et de l'artiste, contribuant ainsi largement au renouvellement de la peinture.

PRINCIPLES OF PLANT BIOTECHNOLOGY

The use of living organisms to make or develop or modify products is under the broad field of biotechnology. Plant biotechnology is a branch of this discipline that is concerned with the application of the techniques of biotechnology for plant breeding and improvement. Some of the objectives include improving plant quality, increasing crop yield, increasing tolerance to environmental stresses, viruses, fungi, bacteria and pests. Such modifications are of immense use in agriculture. The techniques of marker assisted selection, doubled haploidy, reverse breeding and genetic modification facilitate such changes. This book is compiled in such a manner, that it will provide in-depth knowledge about the theory and practice of plant biotechnology. It aims to shed light on some of the unexplored aspects of this field. This book is an essential guide for both academicians and those who wish to pursue this discipline further.

THE COMPACT EDITION OF THE OXFORD ENGLISH DICTIONARY: COMPLETE TEXT REPRODUCED MICROGRAPHICALLY: P-Z, SUPPLEMENT AND BIBLIOGRAPHY

Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933.

L'ESCLAVE VIEIL HOMME ET LE MOLOSSE

ROMAN

Editions Gallimard " Du temps de l'esclavage dans les isles-à-sucre, il y eut un vieux-nègre sans histoires ni gros-saut, ni manières à spectacle. Il était amateur de silence, goûteur de solitude. C'était un minéral de patiences immobiles. Un inépuisable bambou. On le disait rugueux telle une terre du sud ou comme l'écorce d'un arbre qui a passé mille ans. Pourant, la Parole laisse entendre qu'il s'enflamma soudain d'un bel boucan de vie. Ainsi m'est parvenue l'histoire de cet esclave vieil homme, de son Maître-béké et du molosse qu'on lança à ses trouses. Une histoire à grands sillons d'histoires variantes, en chants de langue créole, en jeux de langue française et de parlures rêvées. Seules de proliférantes mémoires pourraient en suivre les emmêlements. Ici, soucieux de ma parole, je ne saurais aller qu'en un rythme léger flottant sur leurs musiques... "

THE CITY AND THE REALM

BURGOS AND CASTILE, 1080-1492

Routledge The articles in the first part of this volume, two being a revised English version of an article originally in Spanish, examine the place of the city in the historical development of Castile. The focus is the social and economic history of Burgos, and the work is founded on detailed research in the archives of the area. Professor Ruiz also calls into question the long held belief in the democratic character of medieval Castilian municipal life. In the second section he opens the field of enquiry to deal with the controversial question of what impact the conquest of Seville and the subsequent settlement of al-Andalus had on the realm of Castile, looking in particular at demographic factors and the emergence of the latifundia. The following articles analyse the symbolism and ceremonial of royal power, arguing that the claims for a sacred monarchy so usual in the medieval West were absent during this period of Spanish history, and that the kings used popular secular ceremonies, not anointments or coronations, to legitimise their rule. The book then closes with a study of the origins of the Spanish Inquisition. Les travaux contenus dans la première partie de cet ouvrage examinent la place de la Cité dans le développement historique de la Castille. L'intérêt central porte sur l'histoire sociale et économique de Burgos et l'analyse est fondée sur une recherche détaillée dans les archives de cette région. Le professeur Ruiz remet aussi en question la croyance que l'on avait depuis longtemps quant au caractère démocratique de la vie municipale dans la Castille médiévale. Dans la seconde partie, l'auteur élargit le champs de l'enquête afin de traiter de la question controversée au sujet de l'impact de la conquête de Séville et l'occupation consécutive d'al-Andalus sur le royaume de Castille, s'intéressant en particulier aux facteurs

démographiques et à l'émergence de latifundia. Les études suivantes analysent le symbol
