Falling for the Count

Love in a Book He's a charming bad boy count about to lose his fortune if he doesn't marry. And the bride just took off on his wedding day. Matteo Korbel, the Count of Golchin, proposed a business marriage to save his fortune, figuring his girlfriend was good enough to get the job done. But on the wedding day, she takes off, and Matteo is forced to ask the chef's daughter to step in as a replacement bride. Sheena's only thinks of Matteo as a childhood friend. So when she dresses up as a veiled bride, it's only to tell him his bride left. She never expected him to ask her to be his wife, and never would have anticipated she'd be foolish enough to say yes. Now it's not just his fortune on the line, but also her heart. Neither of them expected passion or growing attraction with a near stranger. Now they're married and still barely know each other as they try to navigate rough waters, ex-boyfriends, old desires, bad habits, and worse assumptions. Ten Apples Up on Top

This book is a tour de force for helping with reading and counting to ten, using a vocabulary of only 75 words! A lion, dog, and tiger find many interesting ways to balance ten apples vertically on their heads, building up from only one. Then the birds decide they would like the apples, and the fun really begins. The conclusion will leave your child giggling happily.

How Many Seeds in a Pumpkin? (Mr. Tiffin's Classroom Series)

Schwartz & Wade Carve out family time with this Halloween read that features the beloved Mr. Tiffin and his students and makes for a fun way to reinforce counting skills at home! This book makes a wonderful read-aloud companion to any math or science curriculum, and it's a fun way to reinforce topics like skip counting and estimation in a fun pumpkin-themed classroom experiment! "How many seeds are in a pumpkin?" Mr. Tiffin asks his class as they gather around the big, medium, and small pumpkins on his desk. Robert, the biggest kid, guesses that the largest one has a million seeds; Elinor, sounding like she knows what she's talking about, guesses the medium one has 500 seeds; and Anna, who likes even numbers better than odd ones, guesses that the little one has 22. Charlie, the smallest

boy in the class, doesn't have a guess. Counting pumpkin seeds is messy business, but once the slimy job is done, to everyone's surprise, the smallest pumpkin has the most seeds! As Charlie happily exclaims, "Small things have a lot going on inside of them." And don't miss the newest addition to the Mr. Tiffin series, The Dinosaur Expert!

Things Fall Apart

Penguin UK Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Men of Fall #1

Snow Falling on Cedars

A&C Black He saw the soft cedars of San Pedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps ruffling its shoreline. The moon had risen already behind the island – a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Pedro, memories grow as thickly as cedar trees – memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched.

Semantics for Counting and Measuring

Cambridge University Press The book is an investigation of the semantics of numerals, counting and measuring, and its connection to the mass/count distinction from a theoretical and crosslinguistic perspective. It reviews some recent major linguistic results in these topics, and presents the author's new research including in-depth case studies of a number of typologically unrelated languages.

The internationally acclaimed illustrator, Pat Hutchins, brings her celebrated style to this lively counting book.

The Count of Monte Cristo

BookRix The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815-1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires

a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

Stella Fall Psychological Suspense Thriller Bundle: His Other Lie (#2) and His Other Secret (#3)

Ava Strong A bundle of books #2 (HIS OTHER LIE) and #3 (HIS OTHER SECRET) in Ava Strong's Stella Fall Psychological Suspense Thriller series! This bundle offers books two and three in one convenient file, with over 100,000 words of reading. In HIS OTHER LIE (Book #2), Stella Fall, still reeling from the trauma of her deceitful fiancé and her failed engagement, has decided to pursue her dreams, follow in her father's footsteps, and throw herself into law enforcement. Upon graduating from the FBI's academy, she is placed in the FBI's Connecticut field office. It is not long until, by sheer chance, she finds herself assigned to the case of her life—and thrown right back into a world she hoped to never see again—of couples, affairs and high-end suburbia. A newlywed is found murdered in her bed in her new home, in the town she just moved to with her husband. All seems too picture-perfect in this town for Stella, with the immaculate homes, smiling wives, flaunting of wealth, and obsession with appearances. It is not long until she realizes all is not what it seems. Who wanted this popular newcomer to town dead? What was the popular card game she attended? What secret are all of these wives hiding? The case becomes personal for Stella, the memories hitting way too close to home for her. Stirring up her past trauma, she struggles to hang on until she can solve the first big case of her new career. The stakes couldn't be higher. And the killer is still out there. Will newly-minted FBI Special Agent Stella Fall be able to tap her brilliant mind and figure out what this town is hiding? In HIS OTHER SECRET (Book #3), When a popular local fitness instructor is found murdered in a wealthy suburb, FBI Special Agent Stella Fall is dispatched to an ultra-exclusive, Connecticut coastal town. She soon discovers the town is rife with secrets, and pulls back the veil on a circle of cheating wives who had turned their cycling class into a cult. In this insular, exclusive yacht club community, no one is talking; everything seems perfect. But behind the perfect facades, everything, Stella soon learns, is rotten to its core. This gossipy and back-biting town is hiding sinister secrets and vendettas, and Stella, recognizing it from her own past, is determined to use her brilliant mind to probe their psychology and out the killer. Meanwhile, Stella can't help but feel a connection to her new FBI partner. But when she is summoned to unexpectedly confront her demeaning, narcissistic mother about the secrets of her past, old wounds are stirred up in Stella's fragile psyche, and the shocking revelations of her childhood may just derail her for good. A fast-paced psychological suspense thriller with unforgettable characters and heart-pounding suspense, STELLA FALL is a riveting new series that will leave you turning pages late into the night. Books #4-6—HIS OTHER MISTRESS, HIS OTHER LIFE, and HIS OTHER TRUTH—are available now!

Falling Down

The Conservative Party and the Decline of Tory Britain

Verso Books Despite winning the December 2019 General Election, the Conservative parliamentary party is a moribund organisation. It no longer speaks for, or to, the British people. Its leadership has sacrificed the long-standing commitment to the Union to 'Get Brexit Done'. And beyond this, it is an intellectual vacuum, propped up by half-baked doctrine and magical thinking. *Falling Down* offers an explanation for how the Tory party came to position itself on the edge of the precipice and offers a series of answers to a question seldom addressed: as the party is poised to press the self-destruct button, what kind of role and future can it have? This tipping point has been a long time coming and Burton-Cartledge offers critical analysis to this narrative. Since the era of Thatcherism, the Tories have struggled to find a popular vision for the United Kingdom. At the same time, their members have become increasingly old. Their values have not been adopted by the younger voters. The coalition between the countryside and the City interests is under pressure, and the latter is split by Brexit. The Tories are locked into a declinist spiral, and with their voters not replacing themselves the party is more dependent on a split opposition – putting into question their continued viability as the favoured vehicle of British capital.

But when she is summoned to unexpectedly confront her demeaning, narcissistic mother about the secrets of her past, old wounds are stirred up in Stella's fragile psyche, and the shocking revelations of her childhood may just derail her for good. In HIS OTHER MISTRESS (Book #4), when a 40-year-old mother and divorcee is found murdered after a wild college house party, FBI Special Agent Stella Fall suspects there's more to the story than partying gone awry. As Stella delves deeper into the case, it only becomes more complex and confusing, leading her to dead end after dead end. Stella must use her brilliant mind to unravel the questions at the heart of the case: Why was this divorcee at the party in the first place? Who wanted her dead? And why? And will the killer strike again? A fast-paced psychological suspense thriller with unforgettable characters and heart-pounding suspense, STELLA FALL is a riveting new series that will leave you turning pages late into the night. The Rise And Fall of British Naval Mastery

Penguin UK Paul Kennedy's classic naval history, now updated with a new introduction by the author This acclaimed book traces Britain's rise and fall as a sea power from the Tudors to the present day. Challenging the traditional view that the British are natural 'sons of the waves', he suggests instead that the country's fortunes as a significant maritime force have always been bound up with its economic growth. In doing so, he contributes significantly to the centuries-long debate between 'continental' and 'maritime' schools of strategy over Britain's policy in times of war. Setting British naval history within a framework of national, international, economic, political and strategic considerations, he offers a fresh approach to one of the central questions in British history. A new introduction extends his analysis into the twenty-first century and reflects on current American and Chinese ambitions for naval mastery. 'Excellent and stimulating' Correlli Barnett 'The first scholar to have set the sweep of British Naval history against the background of economic history' Michael Howard, Sunday Times 'By far the best study that has ever been done on the subject ... a sparkling and apt quotation on practically every page' Daniel A. Baugh, International History Review 'The best single-volume study of Britain and her naval past now available to us' Jon Sumida, Journal of Modern History

His Other Life (A Stella Fall Psychological Suspense Thriller—Book Five)

Ava Strong A father is found dead in a wealthy suburb, and on the surface, his life looks perfect. But as Stella digs deeper she realizes the victim was hiding a secret life—and it may be the key to finding the killer. HIS OTHER LIFE is book #5 in a new psychological suspense series by debut author Ava Strong, which begins with HIS OTHER WIFE (Book #1). To all appearances, the victim hit all the checkmarks of a successful life, working for an exclusive finance firm, a member of an exclusive yacht club, having the perfect house in suburbia, a wife, two kids and a picket fence. But as FBI special agent Stella Fall goes deeper down the rabbit hole of evidence, she soon realizes he wasn't as much of a good guy as he pretended to be. What was he really up to on Dad's Night Out? On Dad's weekends away? At his firm? Something isn't adding up. But time is running out, and it's up to Stella to put the pieces together. Can she unravel the twisted puzzle in time to stop the murderer? A fast-paced psychological suspense thriller with unforgettable characters and heart-pounding suspense, HIS OTHER LIFE is book #5 in a riveting new series that will leave you turning pages late into the night. Stella Fall Psychological Suspense Thriller Bundle: His Other Wife (#1), His Other Lie (#2), and His Other Secret (#3)

Ava Strong A bundle of books #1 (HIS OTHER WIFE), #2 (HIS OTHER LIE), and #3 (HIS OTHER SECRET) in Ava Strong's Stella Fall Psychological Suspense Thriller series! This bundle offers books one, two, and three in one convenient file, with over 100,000 words of reading. In HIS OTHER WIFE (Book #1), newly-engaged Stella Fall, 26, is horrified to learn of the secrets hiding in her fiancé's past, in his ultra-wealthy family, and in their exclusive Connecticut suburb. When someone turns up murdered, Stella, to clear her name, is forced to investigate. But in a culture ridden with masterful liars, can she ever really find the truth? Stella seems to have her whole life ahead of her: she has just graduated with a dual masters in Psychology and Criminal Justice, she is engaged to the man of her dreams after a whirlwind romance, and she is moving to the East Coast with him as she prepares for the wedding and searches for a dream job, hoping to be a criminal profiler. She is unbelievably excited for her life together with Chris—until she meets his family. They move into the guest house on his estate, and things only get worse. As Stella meets his ex and his friends at his club, all of whom seem to know something she doesn't, she wonders if Chris is really the man she thought he was. As she learns more about his past and discovers his dark side, she wonders if she has made a big mistake. Beneath its trimmed hedgerows and gleaming storefronts, Stella soon realizes that this wealthy town hides terrible secrets. But before she can decide what to do, a murder leaves her blindsided. Stella, implicated, her future on the line, has no choice but to investigate. As her dreams devolve into hell, Stella, still struggling to overcome her own traumatic past, questions everything around her—including her own sanity. Can she find the killer, and clear her name, before it's too late?
