90 MILES SOUTH

Lulu.com **90 MILES SOUTH** is a story of adventure, culture shock, and ill-advised romance. A young American risks prison and fines by illegally smuggling himself into Cuba. He grows obsessed with the crumbling streets of Havana--the history, the politics, and most of all, the people. But at the same time, he feels a searing pain every time he opens his eyes to the ubiquitous poverty and prostitution. And, of course, there is a girl Our somewhat befuddled hero grows infatuated with a beautiful girl of dubious profession, but he does not seem to be psychologically capable of taking that step from his suburban universe to a relationship with a Magdalene of the third world. But he comes back this time as a reporter covering the pope's historic visit to Cuba in 1998. As he follows both the pope and the lovely Susanna around Havana, he attempts to solve the puzzle of politics, religion, and love on that mysterious island--and he finds himself entrenched in an exhausting wrestling match of values.

PROFESSOR TERWILLIGER AND TIM NEPTUNE I

AuthorHouse A book which uniquely and convincingly serves as a factual health guide to the car-buying public. It describes the various and often unrecognized health problems associated with automobile ownership. The problems as they relate to back comfort, respiratory effects and hazards of the new car smell are presented in highly experienced and researched detail. A valuable asset to those with various orthopedic problems including the lower back, neck, and arms, it describes a system for evaluating the orthopedic status of the individual with relationship to the selection of the car seat. The author's extensive experience and personal research concerning the improvement of the interior air quality of the automobile so as to minimize lung problems will be a rewarding guide to better respiratory health for all car-buyers. The renewed worldwide interest in the toxic effects of the new car smell is presented in an enlightening combination of personal experiences accompanied by past and present worldwide research into this often misunderstood and neglected concern. It is the only book ever written which deals with the heretofore unappreciated facets of one's health as it relates to automobile ownership. A must - read guide and reference for the car-buying public.

TECHNICAL REPORT

IN CUBA I WAS A GERMAN SHEPHERD

Open Road + Grove/Atlantic Eleven short stories of the Cuban immigrant experience as characters adjust to life in the United States, from an award-winning author. From the prize-winning title story—a masterpiece of humor and heartbreak—unfolds a collection of tales that illuminate the landscape of an exiled community rich in heritage, memory, and longing for the past. In Cuba I Was a German Shepherd is at once “tender and sharp-fanged” as Ana Menéndez evocatively charts the territory from Havana to Coral Gables, Florida, and explores whether any of us are capable, or even truly desirous, of outrunning our origins (LA Weekly). “With the grace of Margaret Atwood and the sensuality of Laura Esquivel,” Menéndez makes an unforgettable debut “rich in metaphor, wisdom, and delicious subtlety” (St. Petersburg Times).
