Tales of Compassion and Kindness for You to Read with Your Child - to Delight and Inspire

Watkins Media Limited *Practising Buddhist and master storyteller Dharmachari Nagaraja weaves a thrilling narrative spell while at the same time conveying basic life lessons that will help children to develop their personality, deal with their anxieties, and find peace and confidence as they grow up. The stories explore themes from the Eightfold Path, which is Buddhism's practical route to a happy life. Topics covered, with the lightest of touches, include speaking in a kind and truthful manner, behaving with compassion, thinking selflessly and avoiding the pitfalls of egotism. Although providing gentle guidance on the art of living well, which is the basis of true happiness, each story is also compelling in its own right, featuring characters, settings and events that every child will find absorbing. Each narrative concludes with an affirmation that helps to draw out its positive message, while the superb, specially commissioned illustrations will delight your child and provide a starting-point for discussion and further enjoyment. The helpful introduction provides insights into the value of Buddhist principles for children and shows how visualisation, imaginative thinking and even first steps in meditation can help to nurture young minds and hearts.*

Awaking Wonder

Opening Your Child's Heart to the Beauty of Learning

Baker Books *Sally, what is your secret? For years, parents worldwide have asked beloved author Sally Clarkson how she and her husband have ignited a love for learning and a deep faith in their children. They want to know how the Clarksons launched their children to live such vibrant, flourishing lives as adults. Awaking Wonder is Sally's answer to those questions. This book is thirty-six years in the making and provides a deep dive into Sally's most profound legacy: nurturing and guiding her four children into a wonder-filled life. If you are idealistic and hopeful about the process of raising your children to be healthy and vibrant, you will find encouragement through the Clarksons' story. If you are exhausted, confused, ill equipped, or unsupported in your journey as a parent, you will find relief through the countless ideas in this book. Awaking Wonder will inspire you, delight you, provide laughter, and bring tears through the heartfelt stories of four lively children and the wondrous life they grew up in together. Journey with Sally toward · cultivating wonder all around you, alongside your children · understanding how to open your children's hearts and minds to the grand design, beauty, and goodness scattered throughout the universe · laying a foundation for spiritual formation and a robust faith in God · nurturing your children to live into their capacity in intellect, faith, and relationships If you long for a holistic, spiritually foundational approach to parenting and education, this is the book you've been waiting for. The companion guide, The Awaking Wonder Experience, will help you apply Sally's principles in life-changing ways.*

Fostering Children's Faith

A Privilege and a Responsibility

Wipf and Stock Publishers *Fostering faith in children is a shared privilege and responsibility of parents, godparents, and the church community. We promise our children at baptism that we will support them in their faith formation--in the formation of their relationship with God. We need to take this promise seriously. This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children's faith. This book succinctly explores many ways we can support children's faith formation, including our day-to-day interactions with children, the images of God we share with them, how we pray together, the rituals we create, service opportunities we provide, music we share together, the stories we tell and listen to, our celebration of the sacraments, and more. While this book has a distinctly Roman Catholic orientation, much of the content will be relevant for a wider Christian audience. Lastly, but perhaps most importantly, this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children's relationship with is one who is infinitely loving, welcoming, and always yearning for deeper connection with us.*

Inspired Children

How the Leading Minds of Today Raise Their Kids

DARLINGTON PRESS *This book provides a practical guide to raising children from pre-conception to teenage years. It includes areas of interest for parents-to-be, including how to prepare for conception in order to give a child the best start in life and ways to avoid stress during pregnancy and its negative effects on the unborn child. Parents, grandparents and teachers can learn how to support a child's development in fundamental areas like good self-esteem, resilience and managing emotions and behaviour. Practical activities and guidance is provided on how children can develop skills in setting and achieving goals, communicating, building and nurturing relationships with family and friends, managing stress, understanding health and nutrition as well as environmental awareness and social consciousness. These key life skills and personal qualities are the platform from which a child can create a happy, productive and fulfilling life. Parents are also introduced to a framework for managing their family life and making it all work.*

The Sea

Make Your Own Mobile Inspired by Henri Matisse

Inspired by Matisse's brilliant paper cutouts, this unique book will delight children by immersing them in the wonders of colors and art through the mobile. As a form of sculpture, few objects rival mobiles for their versatility and enjoyment. Whether dangled over a child's crib or artfully hung in a living room, mobiles are one of the most popular forms of home decoration. But they are also an ingenious example of equilibrium and kinetic movement that can mesmerize and inspire. Aimed at children five years and older, this unique book provides the basic materials for making a beautiful and colorful mobile that recalls the movement and colors of the sea. Paper artist Felicitas Horstchäfer has based her brightly hued patterns on the art of Henri Matisse. Children can color and cut out these shapes, then with the help of an adult, create a unique and delightful mobile of their very own.

Is My Bible the Inspired Word of God?

Revised Edition

Wipf and Stock Publishers *Evangelical Christians vigorously defend the Bible as the inspired Word of God, yet we limit that term just to the autographs--those original writings of the Scriptures that no longer exist. What does this say for the reliability of your Bible? Can you honestly and truthfully claim that your Bible translation is the inspired Word of God? Ed Goodrick believes that we need to adjust our thinking about inspiration: a change that argues that the Bible that you actually hold in your hand is also rightly described as the inspired Word of God. His enlightening discussion of the nature of God's revelation, the accurate copying of these original writings, the careful comparison of the manuscripts (textual criticism), and their translation into contemporary languages will give you a renewed confidence in the trustworthiness of your Bible. Goodrick also explores the issues that surround interpreting the Bible, for if it is misused by present-day readers, it does little good practically to assert its divine origin. Ray Lubeck has sought to bring this very important work back into print for a new generation of believers who now need, more than ever in this increasingly postmodern culture, to learn that the Bible is worthy of your trust, commitment, study, and confidence. Though Goodrick's arguments are timeless, his wording and sources have now been completely updated, giving the second edition of *Is My Bible the Inspired Word of God?* an easy-to-read style for today.*
