KEY=FASTING - LEBLANC MADELYNN

A COMMONSENSE GUIDE TO FASTING

Faith Library Publications **Rev. Hagin encourages Christians to examine and follow the scriptural reasons for fasting. He discuss-es the proper length for a fast, and he presents an interesting alternative to the traditional view of fasting--an alternative the Lord gave him.**

THE WARRIOR DIET

SWITCH ON YOUR BIOLOGICAL POWERHOUSE FOR HIGH ENERGY, EXPLOSIVE STRENGTH, AND A LEANER, HARDER BODY

Blue Snake Books **Reshape your body and mind by eating light during the day and filling up at night—the core tenet of this revolutionary nutrition program based on survival science Along with the many benefits of leisure-class living comes obesity and its attendant ailments. In The Warrior Diet, Ori Hofmekler looks not forward but backward for a solution—to the primal habits of early cultures such as nomads and hunter-gatherers, the Greeks, and the Romans. Based on survival science, this book proposes not ordinary dietary changes but rather a radical yet surprisingly simple lifestyle overhaul. Drawing on both scientific studies and historical data, Hofmekler argues that robust health and a lean, strong body can best be achieved by mimicking the classical warrior mode of cycling—working and eating**

sparingly (undereating) during the day and filling up at night. Specific elements from the Warrior Diet Nutritional Program (finding ideal fuel foods and food combinations to reduce body fat) to the Controlled Fatigue Training Program (promoting strength, speed, and resilience to fatigue through special drills), literally reshape body and mind. Individual chapters cover warrior meals and recipes; sex drive, potency, and animal magnetism; as well as personalizing the diet for women. Featuring forewords by Fit for Life author Harvey Diamond and Fat That Kills author Dr. Udo Erasmus, The Warrior Diet shows readers weary of fad diets how to attain enduring vigor, explosive strength, a better appearance, and increased vitality and health.

THE FAST DIET

THE SIMPLE SECRET OF INTERMITTENT FASTING : LOSE WEIGHT, STAY HEALTHY, LIVE LONGER

Short Books Originally published in New York by Atria Books, 2013.

EAT, FAST, SLIM

INTUITIVE EATING, 2ND EDITION

A REVOLUTIONARY PROGRAM THAT WORKS

St. Martin's Griffin We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on

rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

GOD'S CHOSEN FAST

A SPIRITUAL AND PRACTICAL GUIDE TO FASTING

CLC Publications Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. This book includes a biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament.

THE PHILOSOPHY OF FASTING

Health Research Books

INTERMITTENT FASTING FOR DUMMIES

John Wiley & Sons **You CAN do this!** Intermittent fasting made easy. So, you want to begin an intermittent fasting plan and embark on a leaner, healthier and longer life? You probably have already heard about this wildly popular health and fitness diet plan. Intermittent fasting continues to be one of the top google trending diet searches of the year. If you are ready to get on the intermittent fasting bandwagon, then here is the perfect detailed guide to following an intermittent fasting plan of your choice. There are several variations of intermittent fasting, each one is outlined in a step-by-step plan for you to follow. Remember, you choose the style that works best for your lifestyle. The science is in—intermittent fasting has extraordinary health benefits. Intermittent fasting is the key that unlocks everything from sustainable weight and fat loss (especially that stubborn belly fat) to increased mental clarity and a serious boost in

energy. Simply by consuming all of your food within a designated time period, you can ramp up your metabolism, reduce the risk of disease, and supercharge your workout or diet programs. No tedious calorie counting, weighing, measuring, or denying yourself your favorite foods. Too good to be true? No, but the trick—as with everything—is doing it in a safe and effective way and Intermittent Fasting For Dummies makes that easy, providing five of the most popular methods and 50+ recipes that will suit any lifestyle or diet. Nutrition and fitness expert—and internationally recognized specialist in disease prevention—Janet Bond Brill shows you how to choose the method that suits you best, as well as guiding you through the science behind intermittent fasting, including how it ignites your fat-burning potential, promotes cellular repair, increases the production of growth hormones, and reduces insulin and blood sugar levels. Choose the right plan and stick to it Make more than 40 health and delicious calorie-controlled meals Maintain your weight loss Improve overall health and prevent disease Wherever you are in your health journey—seeking weight loss or maintaining to promote disease prevention or build muscle—Intermittent Fasting For Dummies shows you how to make the science of "too good to be true" into a truly effective part of your regular, healthy routine.

THE EVERY-OTHER-DAY DIET

THE DIET THAT LETS YOU EAT ALL YOU WANT (HALF THE TIME) AND KEEP THE WEIGHT OFF

Hachette UK "The Every-Other-Day Diet is the perfect diet for me." That's the satisfied declaration of a dieter who lost 41 pounds on the Every-Other-Day Diet. (And kept it off!) You too can expect dramatic results with this revolutionary approach to weight loss that is incredibly simple, easy, and effective. Created by Dr. Krista Varady, an associate professor of nutrition at the University of Illinois, the Every-Other-Day Diet will change the way you think of dieting forever. Among its many benefits: It's science-tested, science-proven. Dr. Varady has conducted many scientific studies on the Every-Other-Day Diet, involving hundreds of people, with consistently positive results published in top medical journals such as the American Journal of Clinical Nutrition and Obesity. Unlike most other diets, the Every-Other-Day Diet is proven to work. It's remarkably simple-and effective. On Diet Day, you limit calories. On Feast Day, you eat anything you want and as much as you want. You alternate Diet Day and Feast Day. And you lose weight, steadily and reliably. There's no constant deprivation. The Every-Other-Day Diet doesn't involve day after day of dietary deprivation--because you can still indulge every-other day. It's easy to keep the weight off. With other diets, you lose weight only to regain it, the frustrating fate of most dieters. But The Every-Other-Day Diet includes the Every-Other-Day Success Plan--an approach to weight maintenance proven to work in a study sponsored by the National

Institutes of Health. This book offers all of the research, strategies, tips, and tools you need to believe in the Every-Other-Day Diet and easily implement it in your life. It also includes more than 80 quick and delicious recipes for Diet Day, as well as a list of tasty prepared foods that make meals as easy as 1-2-3. The Every-Other-Day Diet is perfect for anyone who wants to shed pounds and feel great, without hunger and defeat.

POCKET BOOK OF HOSPITAL CARE FOR CHILDREN

GUIDELINES FOR THE MANAGEMENT OF COMMON CHILDHOOD ILLNESSES

World Health Organization The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

THE COMPLETE GUIDE TO FASTING

HEAL YOUR BODY THROUGH INTERMITTENT, ALTERNATE-DAY, AND EXTENDED FASTING

Simon and Schuster Thousands of books have been written about the latest and greatest diets that will help people lose weight and improve health. But a key element in any successful nutritional health program is a tried-and-true method that most people haven't thought about. This ancient secret is fasting. In The Complete Guide to Fasting, he has teamed up with international bestselling author and veteran health podcaster Jimmy Moore to explain what fasting is really about, why it's so important, and how to fast in a way that improves health.

MOSTLY HARMLESS ECONOMETRICS

AN EMPIRICIST'S COMPANION

Princeton University Press In addition to econometric essentials, this book covers important new extensions as well as how to get standard errors right. The authors explain why fancier econometric techniques are typically unnecessary

and even dangerous.

THE PSYCHIC LIFE OF POWER

THEORIES IN SUBJECTION

Stanford University Press **Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.**

REWIRE YOUR BRAIN

THINK YOUR WAY TO A BETTER LIFE

John Wiley & Sons **How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: Brain-Based Therapy-Adult, Brain-Based Therapy-Child, Improving Your Memory For Dummies and Heal Your Anxiety Workbook Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, Rewire Your Brain will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.**

ST. AUGUSTINE'S PRAYER BOOK

PSYCHIC SELF-DEFENSE: THE CLASSIC INSTRUCTION MANUAL FOR PROTECTING YOURSELF AGAINST PARANORMAL ATTACK

Youcanprint After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense

THE COMMON RULE

HABITS OF PURPOSE FOR AN AGE OF DISTRACTION

InterVarsity Press The modern world has us addicted to our technology, shackled by our screens, and exhausted by our routines. What can we do about it? Justin Earley offers four daily and four weekly habits, designed to help us create new routines and transform frazzled days into lives of love for God and neighbor. As you embark on these life-giving practices, you will find the freedom and rest for your soul.

THE SPIRITUALITY OF FASTING

OrthodoxEbooks The Spirituality of Fasting by the late Pope Shenouda III, who was Pope and Patriarch of the Coptic Orthodox Church.

THE CATHOLIC GENTLEMAN

LIVING AUTHENTIC MANHOOD TODAY

Ignatius Press What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless

abandon. How does one act like a gentleman in such confusing times? The Catholic Gentleman is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy- to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life

A HUNGER FOR GOD

Inter-Varsity Press There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

THINKING, FAST AND SLOW

Penguin UK In this work the author, a recipient of the Nobel Prize in Economic Sciences for his seminal work in psychology that challenged the rational model of judgment and decision making, has brought together his many years of research and thinking in one book. He explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. He exposes the extraordinary capabilities, and also the faults and biases, of fast thinking, and reveals the pervasive influence of intuitive impressions on our thoughts and behavior. He reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both

our business and our personal lives, and how we can use different techniques to guard against the mental glitches that often get us into trouble. This author's work has transformed cognitive psychology and launched the new fields of behavioral economics and happiness studies. In this book, he takes us on a tour of the mind and explains the two systems that drive the way we think and the way we make choices.

LSD, MY PROBLEM CHILD

REFLECTIONS ON SACRED DRUGS, MYSTICISM, AND SCIENCE

Multidisciplinary Assn for **This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.**

GLOBAL TRENDS 2030

ALTERNATIVE WORLDS

Createspace Independent Publishing Platform **This publication covers global megatrends for the next 20 years and how they will affect the United States. This is the fifth installment in the National Intelligence Council's series aimed at providing a framework for thinking about possible futures and their implications. The report is intended to stimulate strategic thinking about the rapid and vast geopolitical changes characterizing the world today and possible global trajectories during the next 15-20 years by identifying critical trends and potential discontinuities. The authors distinguish between megatrends, those factors that will likely occur under any scenario, and game-changers, critical variables whose trajectories are far less certain. NIC 2012-001. Several innovations are included in Global Trends 2030, including: a review of the four previous Global Trends reports, input from academic and other experts around the**

world, coverage of disruptive technologies, and a chapter on the potential trajectories for the US role in the international system and the possible the impact on future international relations. A QUAKER BOOK OF WISDOM

LIFE LESSONS IN SIMPLICITY, SERVICE, AND COMMON SENSE

Harper Collins "The most valuable aspect of religion," writes Robert Lawrence Smith, "is that it provides us with a framework for living. I have always felt that the beauty and power of Quakerism is that it exhorts us to live more

simply, more truthfully, more charitably." Taking his inspiration from the teaching of the first Quaker, George Fox, and from his own nine generations of Quaker forebears, Smith speaks to all of us who are seeking a way to make our lives simpler, more meaningful, and more useful. Beginning with the Quaker belief that "There is that of God in every person," Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day. How to live and speak truthfully. How to listen for, trust, and act on our conscience. How to make our work an expression of the best that is in us. Using vivid examples from his own life, Smith writes eloquently of Quaker Meeting, his decision to fight in World War II, and later to oppose the Vietnam War. From his work as an educator and headmaster to his role as a husband and father, Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life. His book culminates with a moving letter to his grandchildren which imparts ten lessons for "letting your life speak."

FAST FOOD NATION

THE DARK SIDE OF THE ALL-AMERICAN MEAL

Houghton Mifflin Harcourt Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

WATCHING THE ENGLISH

THE HIDDEN RULES OF ENGLISH BEHAVIOUR

Hachette UK In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

TEN STEPS TO A RESULTS-BASED MONITORING AND EVALUATION SYSTEM

A HANDBOOK FOR DEVELOPMENT PRACTITIONERS

World Bank Publications **An effective state is essential to achieving socio-economic and sustainable development. With the advent of globalization, there are growing pressures on governments and organizations around the world to be more responsive to the demands of internal and external stakeholders for good governance, accountability and transparency, greater development effectiveness, and delivery of tangible results. Governments, parliaments, citizens, the private sector, NGOs, civil society, international organizations and donors are among the stakeholders interested in better performance. As demands for greater accountability and real results have increased, there is an attendant need for enhanced results-based monitoring and evaluation of policies, programs, and projects. This Handbook provides a comprehensive ten-step model that will help guide development practitioners through the process of designing and building a results-based monitoring and evaluation system. These steps begin with a OC Readiness AssessmentOCO and take the practitioner through the design, management, and importantly, the sustainability of such systems. The Handbook describes each step in detail, the tasks needed to complete each one, and the tools available to help along the way."**

THE LADIES' BOOK OF ETIQUETTE, AND MANUAL OF POLITENESS

A COMPLETE HAND BOOK FOR THE USE OF THE LADY IN POLITE SOCIETY

THE COMPLETE GUIDE TO FOOD FOR SPORTS PERFORMANCE

PEAK NUTRITION FOR YOUR SPORT

Allen & Unwin **A substantially revised and updated edition of the highly respected guide to using nutrition as an integrated part of an athlete's total performance enhancing package.**

THINK LIKE A MONK

TRAIN YOUR MIND FOR PEACE AND PURPOSE EVERY DAY

Simon & Schuster **Jay Shetty**, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

BACKPACKER

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish.

Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
