BUTTS OF FLORENCE

"I've been in Florence for now two days, still brutally jet-lagged. I keep waking up at a 4 or 5 in the morning. These have been slow, long days. Already a pace aggressively different than the last few weeks in LA for me. It feels good though. There's a kind of whiplash, still reeling from the absurd, unnecessary non-stop-ness of my end-of-semester weeks in late April/early May. Many things to learn from, which is why it feels so good to be here. And why I write to you now, not simply because it's been far too long, but also because you are an inspiration! I cannot help but think about your travels and yes, your wisdom, when reeling slowly and pleasurably, freshly here in Tuscany." --Erik Benjamins, Butts of Florence
 In 2006, Erik Benjamins, a Los Angeles-based artist, spent six months in Florence, Italy as an American student abroad. Eight years later, in 2014, he returned for six weeks to teach, walk, watch, think, eat, and learn. Butts of Florence, published now for the first time by No Style Press, is a collection of writing and photographs taken during this six-week stay. Formally stunning black and white photographs of the butts of various Florentine sculptures punctuate writing that adopts the forms of diaristic entries, appropriated letter writing, travel guide tips, restaurant reviews, and poetic prose. Together, text and image build the arc of a humorous, hungry, critical, introspective, romantic, and grateful visitor to one of the most storied cities in history."This compact volume packs a punch--the perfect literary companion for a jaunt to Italy. A game changer." --Dr. Anthony Martin, molecular biologist and director of PATAO

DARING TO REST

RECLAIM YOUR POWER WITH YOGA NIDRA REST MEDITATION

Sounds True What if you could reboot your health, tap into your creative self, reclaim your wild nature, lead from your heart—and still feel well rested? As modern women, we're taught that we can do it all, have it all, and be it all. While this freedom is beautiful, it's also exhausting. Being a "worn-out woman" is now so common that we think feeling tired all the time is normal. According to Karen Brody, feeling this exhausted is not normal—and it's holding us back. In *Daring to Rest*, Brody comes to the rescue with a 40-day program to help you reclaim rest and access your most powerful, authentic self through yoga nidra, a meditative practice that guides you into one of the deepest states of relaxation imaginable. It's time to lie down and begin the journey to waking up. Though it comes from the yogic tradition, yoga nidra doesn't look like a typical yoga class—the entire practice is done lying down. As you listen to a guided meditation, you're gently taken into complete inner stillness, effortlessly releasing into a healing state that works on both cellular and subtle body levels. With *Daring to Rest*, Brody presents a comprehensive yoga nidra program that unfolds in three phases: rest for physical exhaustion, release for mental and emotional exhaustion, and rise for tuning in to the "life purpose exhaustion" that can come when we're not in our full power. Each phase includes a downloadable yoga nidra guided

meditation and supportive practices. “By directly accessing your subconscious mind, yoga nidra helps shift the long-held patterns that prevent you from stepping fully into your purpose and power,” writes Brody. “Now is the time to break the cycle of fatigue and return to your truest self—the woman you are when you’re not constantly exhausted.”
