Recognizing the Influence of Evil on the Road to Redemption

The Tragedy of Almightyness

Revaluing Ethical Life

Wipf and Stock Publishers **The Tragedy of Almightyness** encircles the theme of human yearning for omnipotence, as expressed in religion and various ideologies. The central question revolves around the matter of what--in pursuing such an extreme power of the will--man seeks to achieve. While exploring the question, a thought-provoking link is made between religion and atheism; between the Biblical longing for God's promise and the Marxist appeal for man to realize that same promise. Omnipotence must vouch for the fulfilling of the promise, for justice and for man's dream of redemption. However that is not where it ends. The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all-pervading evil. Omnipotence also facilitates the avenging of such evil. History has shown what this kind of yearning can lead to. The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness. The description of this process leads to a plea for renewed ethical purpose in life. It is a challenge that also extends to religion. Hence the reason that it is necessary to depart from the idea of omnipotence.

Dirt Road Redemption

Dirt Road **He's bonded to evil. She's pure light and love. In a twist of fate, he realizes she's his way out. Now she's his captive... or is she. Atticus Masters was born a weak werewolf but refused to accept his lot in life. One decision changed all of it. He has power now as a hybrid. His Were is cunning, his Vampire ruthless, and his hybrid beast has the power of an Alpha, but he is still powerless. Bound to an evil Master, he finds a way out, all it will take one sacrifice. His mate, Danica Valentine has had enough. She has lived in a cage of fear and submission with her old Alpha. Is she going to meekly accept what her mate has decided for them both? He is arrogant, demanding, and abrasive. He feels no love or affection toward her, she is just a means to an end for him. Is she strong enough to stand up and make him see they have a choice? Will these two be able to find their way together? Will fate or evil win. Can they both find what they truly want, love and redemption? Everything will be revealed during the journey to the Dirt Road.**Content Warning: Explicit love scenes, naughty language. Intended for mature audiences. This book is a part of a series. It can be read as a standalone. Although to get full enjoyment we encourage you to read *Down the Dirt Road - Book 1*.

Redemption Road (A Small Town Mystery Romance)

HH Tisevich, LLC **Redemption: The act of being saved from sin, error, or evil. Antiques dealer by day, secret painter by night, Rory Flanagan arrives home to find a man, battered and bruised, sprawled out on her newly upholstered Victorian sofa. The brash, six-foot-four stranger takes an unusual interest in Rory's vintage gold pendant—given to Rory by her mother the day she was killed. They say Christian Locke is a loner, an orphan, a mysterious cowboy the small-town gossips deem an outsider. They tell her to stay away. But Rory can't ignore the connection she feels to the mulish recluse, or the interest he has in the cursed necklace she wears around her neck. Christian says he doesn't believe in fate, but every twist and turn of the pendant's story seems to lead her to the same place . . . Welcome to Redemption Road. Your secrets are not safe here. (Due to serious subject matter and mature content, please be aware that this book might be an emotional trigger for some readers.)**

A Study of the Book of Ephesians: The Road to Redemption and Reconciliation

Redemption Press **Gain a deeper understanding of the book of Ephesians through this book by Pastor Karry Wesley that explores the primary themes of the book—redemption and reconciliation—and gives us a new view of God's great love for us.**

The Road to Redemption

Spiritual Poems of Salvation

AuthorHouse **This book is a happy response to the National News (Nightline's Ted Koppel, Oprah, etc.) incident at Jasper, TX a few years ago when a man was chained to, and dragged behind a truck. Featured are The Bowie-Bluitt Family of Jasper, TX, friends and neighbors of The Huff Creek subdivision. I am fortunate to have been exposed to this hard working family, standing as leaders in the community. Charged with a desire to share the stories of their community and the love of their collective hearts with the world, they are on a mission to reverse the adverse effects of the unforgettable James Byrd incident. Pulling together, they have started to bring the vibrant life back into this once self sustaining proud community. It is hoped that these seeds of exposure will yield a harvest of beneficial and changed perceptions. I thank the people featured in this book; allowing me to photograph and document their lives so that you see a glimpse of what they stand for. Exemplifying the best that community life has to offer, they use their time and love to help others. Thanks especially for your time, resources and information provided to put this book together. Being a recipient of your love and kindness, and watching you in action as you impart it on others has been an extraordinary delight. It is this creative energy that has enabled, and will continue to enable The Huff Creek community of Jasper, TX to be an institution to be reckoned with. Of course, none of this is possible without you, the reader. I hope that this book and the profiles it contains are inspirational to you in helping you find your way through life with a more positive outlook. To contact the author, go to the contact page at: <http://www.adharris.net> May God bless you and keep you.**

The White Lama

Book #2 : Road to Redemption

Humanoids Incorporated **Bess and Jodorowsky's mystical adventure story draws to its suspenseful conclusion in THE WHITE LAMA VOL. 2. When the Grand Lama Mipam died, he left his monastery open to corruption. Gabriel, the reincarnation of the Grand Lama, has hidden his true identity as the trained to battle a great evil and save the land from destruction. Now Gabriel must complete his training and confront his enemies, but if he fails to defeat his own personal demons, all will be lost!**

Awake, Arise and Triumph

Book II - God's Road to Redemption

AuthorHouse **This is book two of a trilogy. The first book titled; Awake, Arise and Triumph and subtitled Book 1 - God's Original Intent spoke of the period from Genesis 1:1 of the Holy Bible through the time that man fell (Genesis 3:6) being deceived of Satan. This second book titled; Awake, Arise and Triumph and subtitled Book 2 - God's Road to Redemption reviews creation, the fall of man, the consequences of sin and the mechanisms by which Satan worked to deceive Adam and now you and me. Than praise God we see how our Redeemer, our Savior, the Lord Jesus Christ is revealed in the Old Covenant on the Road of God's mercy to redemption.**

Gunslinger

Road To Redemption

[Independently Published](#) **Gunslinger.** A young rancher Jack Write sets out to Capital City to find his runaway sister. Not accustomed to the ways of the City, his father hands down a dark family secret to help him. A pair of cursed Colt 45's. A pair of ancient guns formed by evil, demanding blood and death, sucking the soul from the owner who possesses the wicket weapons. The young rancher finds trouble at every turn in a crazy world outside the quiet ranch life. Jack is running out of time to help his sister, and to keep his sanity intact. His pure, honest heart battles with the evil on his hips. The guns demand the freedom to unleash havoc and chaos to satisfy their bottomless thirst for blood. Jack struggles with his sanity against the evil eating away at him. Torn with the family's dark secrets, Jack vows to get his sister back at all costs. Join the young rancher as he struggles with inner turmoil and disaster at every turn. Grasping to keep his soul intact, Jack leans on newfound friends to restore order and light in the City's darkest corners.

Redemption Road

[Hachette UK](#) **Elizabeth Black** is a hero. She is a cop who single-handedly rescued a young girl from a locked cellar and shot two brutal kidnapers dead. But she's also a cop with a history, a woman with a secret. And she's not the only one. Adrian Wall is finally free after thirteen years of torture and abuse. In the very first room he walks into, a boy with a gun is waiting to avenge the death of his mother. But that is the least of Adrian's problems. He was safer in prison. And deep in the forest, on the altar of an abandoned church, a body cools in pale linen. It is not the first to be found. This is a town on the brink. This is Redemption Road. Brimming with tension, secrets, and betrayal, brilliantly evoking an America of small towns and remote landscapes, of the abandoned, the derelict and the desperate, this is a novel so chillingly suspenseful and a story so full of twists and turns that you simply cannot stop reading. It marks a new high point in the writing of this bestselling master of the literary thriller.

Philosophical Approaches to Demonology

[Taylor & Francis](#) In contradistinction to the many monographs and edited volumes devoted to historical, cultural, or theological treatments of demonology, this collection features newly written papers by philosophers and other scholars engaged specifically in philosophical argument, debate, and dialogue involving ideas and topics in demonology. The contributors to the volume approach the subject from the perspective of the broadest areas of Western philosophy, namely metaphysics, epistemology, logic, and moral philosophy. The collection also features a plurality of religious, cultural, and theological views on the nature of demons from both Eastern and Western thought, in addition to views that may diverge from these traditional roots. *Philosophical Approaches to Demonology* will be of interest to philosophers of religion, theologians, and scholars working in philosophical theology and demonology, as well as historians, cultural anthropologists, and sociologists interested more broadly in the concept of demons.

The Road to Redemption

Reformed Dogmatics : Volume 3

Sin and Salvation in Christ

[Baker Books](#) In partnership with the Dutch Reformed Translation Society, Baker Academic is proud to offer in English for the very first time the third volume of Herman Bavinck's complete *Reformed Dogmatics*. This masterwork will appeal not only to scholars, students, pastors, and laity interested in Reformed theology but also to research and theological libraries. "Bavinck was a man of giant mind, vast learning, ageless wisdom, and great expository skill. Solid but lucid, demanding but satisfying, broad and deep and sharp and stabilizing, Bavinck's magisterial *Reformed Dogmatics* remains after a century the supreme achievement of its kind."--J. I. Packer, Regent College "This magisterial work exhibits Bavinck's vast knowledge and appreciation of the Christian tradition. Written from a Reformed perspective, it offers a perceptive critique of modern theology. . . . Recommended."--*Library Journal*

Reformed Dogmatics

[Baker Academic](#) This classic work of Reformed theology is the third of four volumes now available in English.

After Redemption

Jim Crow and the Transformation of African American Religion in the Delta, 1875-1915

[Oxford University Press](#) Challenging the traditional interpretation that the years between Reconstruction and World War I were a period when blacks made only marginal advances in religion, politics, and social life, John Giggie contends that these years marked a critical turning point in the religious history of southern blacks. In this groundbreaking first book, Giggie connects these changes in religious life in the Delta region--whose population was predominantly black but increasingly ruled by white supremacists--to the Great Migration and looks at how they impacted the new urban lives of those who made the exodus to the north. Rather than a straight narrative, the chapters present a range of ways blacks in the Delta experimented with new forms of cultural expression and how they looked for spiritual meaning in the face of racial violence. Giggie traces how experiences with the railroad became a part of spiritual life, how consumer marketing built religious identities, ways that fraternal societies became tied in with churches, the role of material culture in unifying religious identity across the Delta, and the backlash against the worldliness of black churches and the growth of alternate practices. The study takes into account folk religion as well as a panoply of institutions--black Baptist churches, African Methodist Episcopal Church, Colored Methodist Episcopal Church, black conferences of the Methodist Episcopal Church, and churches that formed the African-American Holiness movement--and looks at how they vigorously quarreled over the proper definition of religious organization, worship, and consumption. Vivid evidence comes from black denominational newspapers, published and unpublished ex-slave interviews conducted by the Works Progress Administration, legal transcripts, autobiographies, and recordings of black music and oral expression.

The Road to Redemption

God Doesn't Care about Your Past!

[Christian Faith Publishing, Inc.](#) This is a story about a hard drinking, fast living, drug-consuming person who got started way too early. When I say early, you wouldn't believe just how early it started. Life can be rough and sometimes downright cruel. Unfortunately, he did learn this in a very hard way. You might say, he used to dance with the devil until life caught up with him. Not all stories have to have sad or bad endings. I think you just might be surprised to see how this story plays out.

My Road to Redemption

[Author House](#) This book is more than just a reflection on my life, I recognized that many people are struggling with the same burning questions and are making the same mistakes in their lives as what I did. I needed to find out what my purpose on earth was, why I have been unhappy for many years, The idea came to write this book, maybe, I could help somebody discover themselves the way I have and understand that I have already paid for my mistakes, no need to make the same mistakes again, If this book can help to turn just one to God with love, then all was worth it for me. I truly discovered what I have been missing all my life and the fool I have become. I discovered happiness, acceptance and true peace and attempts to show the way here. This is not a quick fix it book, however, if my words resonate in your heart, you will follow the word of God because you want to and come to understand your purpose on this earth. The story includes the future of South Africa, although Britain and America is just mentioned in passing, their respective futures are the same.

Thought and Faith: Revelation, redemption-salvation, time, and the triadic approach to the godhead

Molested in God's House

Reflections Along the Road to Redemption

[Tate Publishing](#) After thirty-two years of complete silence, Robert Newmiller feels compelled to share his early church life and the result of an ensuing struggle that played out within the deepest regions of his heart and mind. Although he once trembled at the thought of speaking of the past, he now sees that the hand of God's providence was at work within the darkest of circumstances, and he now understands that his brokenness and tears served a greater purpose. Join Newmiller as he shares his past in Molested in God's House. 'This is the poignant story of the journey of a soul. A soul born to trust, damaged by betrayal, tormented by the loss of faith, then emergent with God's love renewed. Mr. Newmiller courageously shares the lifelong ramifications of sexual abuse. He challenges us as a society to stop this evil and protect our children. He espouses the power of God in accepting and granting forgiveness and then reintegrating love, hope, trust and faith into his life and the life of his family.' Susan Pronchik, guidance counselor 'Molested in God's House is a journey of faith that starts out in the wide-eyed wonder of a child, takes us through the sequences of the most evil depravity that life can mete out to one person, and comes full circle to a living faith restored to a new and greater dimension.' Karen Tomlinson, founder, Step by Step Learning Center 'This book is a roadmap of sorts that speaks to the hearts of all fallen Christians who believe incorrectly that they have fallen too far from our Creator's love to find their way home. It proclaims: You are welcome again in your heavenly Father's house!' Jim Femino, Grammy-nominated singer/songwriter

Redeeming Judgment

[Wipf and Stock Publishers](#) This book arose from the author's sense of urgency. The Protestant church that we know and love has grown silent about the judgment of God. It seems that our church is bent upon living up to H. Richard Niebuhr's caricature of liberal Protestantism: "A God without wrath brought men without sin into a kingdom without judgment through the ministrations of a Christ without a cross." The book is meant to remedy this silence regarding God's judgment. It demonstrates the pervasiveness of the judgment of God in both Old and New Testaments. Not only do we find the act of judgment in every era, but judgment is a necessary stage in God's saving work. Moreover, the illuminating power of the concept is confirmed by common human experience.

Evil Redmption

[Opus 'N' Pen](#)

Being Reconciled

Ontology and Pardon

[Psychology Press](#) Both a critique of post-Kantian modernity and a new theology that engages with issues of language, culture, time, politics and historicity, 'Being Reconciled' insists on the dependency of all human production and understanding on a God who is infinite inboth utterance and capacity.

Santa

A Novel of Mexico City

[Univ of North Carolina Press](#) This enduring classic of Mexican literature traces the path to ruination of a country girl, Santa, who moves to Mexico City after she is impregnated and abandoned by her lover and subsequently shunned by her family. Once in the city, Santa turns to prostitution and soon gains prominence as Mexico City's most sought-after courtesan. Despite the opportunities afforded by her success, including the chance to quit prostitution, Santa is propelled by her personal demons toward her ultimate downfall. This evocative novel—justly famous for its vividly detailed depiction of the cityscape and the city's customs, social interactions, and political activities—assumed singular importance in Mexican popular culture after its original publication in 1903. The book inspired Mexico's first "talkie" and several other film adaptations, a music score, a radio series, a television soap opera, and a pornographic comic book. Naturalist writer Federico Gamboa, who was also a lawyer and politician, reveals much about Mexican mores and culture at the start of the twentieth century and beyond, from expectations regarding gender roles to the myth of the corrupting and decadent city. In describing how Santa is at the mercy of social problems beyond her control, Gamboa provides a rich historical portrayal of widespread conditions in the years leading to the Mexican Revolution.

Nothing Knew

[Redemption Press](#) Never jump on the back of a motorcycle with the devil just because you think he's Jesus. Redemption Gray has traveled fifteen hundred miles from home to find happiness—he gained it, made a bold declaration of faith, and immediately found himself stranded on the side of the road next to his father's totaled car. When Longstoryshort pulled up moments later, he seemed like an answer to a prayer Redemption hadn't even had time to speak. From the back of that motorcycle, the world becomes a different place. Dependent on a stranger to help him get home, at first Redemption finds his rescuer fascinating, admirable, and wise. But as the miles pass beneath them, first impressions wear thin, and truth is hard to find. When Longstoryshort finally shows his true colors, will Redemption have the strength and courage to break free, or will he be trapped in a life of unrestrained evil?

A Road to Christianity, Islam and Judaism

Religious Information Always Found to Be Interesting

[Xlibris Corporation](#) **A Road to Christianity, Islam and Judaism** contains brief overviews of the three major religions in the world today. They are the Islamic religion, the Judaic religion, and the Christian religion. These overviews, with supporting biblical and Quranic verses, are related in the form of roads with their twists, turns, ruts, and potholes. Many roads or overviews are unknown or learned based on the learners heritage (e.g., original sin). It would take a person a lifetime to research all the minutiae connected with the history, tenets, beliefs, congregations, sects, churches, mosques, synagogues, and people of the three major religions. The three religions have many differences, as well as many similarities. All three religions believe in the same god/creator and Old Testament characters, except by different names. All three religions believe in resurrections, the afterlife, Adam and Eve, and messengers.

Jewish Philosophy

An Historical Introduction

[A&C Black](#) **Surveys the history of Jewish philosophy, from the formation of the Hebrew Scriptures.** This book is intended for courses in Jewish philosophy, as well as for more general courses in religious thought, Judaism, and philosophy. It highlights the Hebrew Scriptures, the Midrash, medieval rabbinic commentaries, and modern works of Jewish theology.

Redeem the Silence

An Unintended Journey

[WestBow Press](#) **There is a silence that is killing us. Millions are impacted by rape and sexual violence and are plagued with struggles they can't talk about. The time is now to start the healing and Redeem the Silence.** "Redeem the Silence is a powerful expose on the subject of rape in the 21st century. With stories that are raw and riveting, the dialogue tears at one's emotions. A subject that is almost overpowering, it is almost unspeakable. But that is the point of Sherrill's book: the subject of rape must not be unspeakable because it happens every day while our silence protects the guilty and torments the victims. Sherrill Nielsen tells the truth about sexual violation and blows the cover off cultural taboos." JIM COFFARO, Senior Pastor at New Song Foursquare Church, San Jose, CA "A pathway to healing! Authentic, no formulas, compassionate, real life guidance for those who have been abused, and those who love them." DR. DAVID SMITH, Lead Navigator, Theodyssey Group "Gripping, insightful, Sherrill Nielsen counsels from a survivor's perspective." MIKE YORKEY, co-author of Every Man's Battle and The Swiss Courier www.redeemthesilence.com

Indwelling the Forsaken Other

The Trinitarian Ethics of Jurgen Moltmann

[Wipf and Stock Publishers](#) **Indwelling the Forsaken Other** is a critical reading of Jurgen Moltmann's ethics of discipleship. While Moltmann's notable turn to the inner life of the Trinity as a source for his reflections on the life of the church is influential, it is not without problems. The call emerging from Moltmann's reflection upon Trinitarian life--to copy God in our relationships--may offer some general direction for our actions; however, it also raises several questions. Two important questions for this work are, In what way are we to copy God? and What conditions make it possible to copy God? Moltmann's answers to these questions are insufficient, and consequently he fails to protect the difference between Creator and creation in his analogia relationis. As a result, the ethical direction of Moltmann's work seems to be increasingly muddled and, at best, paradoxical.

Saints of Feather and Fang

How the Animals We Love and Fear Connect Us to God

[Broadleaf Books](#) **From sheepdogs to wombats to coyotes to jellyfish, animals serve important biological roles in the world. But those who love animals know there's more. We know our connection to other creatures is more than fur, scale, or feather deep.** In *Saints of Feather and Fang*, writer and lifelong animal lover Caryn Rivadeneira looks at the ways that animals--from the pets who share our homes to the mysterious creatures of the deep--serve as spiritual guides for our hearts, minds, and souls. Christian scripture teems with mammals, birds, and reptiles, and research on animals' sensory responses suggests that we not only care for our beloved animals but they, at times, care for us. A therapy pony who visits stroke victims, a rescued pit bull who shows restraint, hedgehogs that scurry down highways made just for them: these stories offer entrŽe to tender, whimsical, and deeply theological reflection on creaturely delight, instinct, curiosity, adaptation, fear, and awe. In them we discover and connect with the God who beckons, rescues, and shelters us with stretched-out wings.

Writing From The Heart

Young People Share Their Wisdom

[Templeton Foundation Press](#) **Writing from the Heart** offers us a unique window into what young people have learned about life. This collection of essays captures the values that matter most to teens--values such as love, perseverance, family, and helping others--in their own words. As the young writers reflect on their own experience, readers of all ages will be inspired by their wisdom and hope. From Chattanooga to China, these essays are all extraordinary. They not only celebrate the accomplishments of the young writers, but also offer an opportunity to peer into the hearts and minds of young people around the world. Readers may be amazed at some of the hardships that these teens have faced, but will have a deep sense of optimism for our future. In addition, they inspire us to make the most of our lives as well.

Essential Papers on Messianic Movements and Personalities in Jewish History

[NYU Press](#) **The messianic idea that a redeemer sent by God will come to end the suffering of a persecuted people and inaugurate a new age of justice and peace has been one of the most powerful and influential concepts given by the Jewish people to western civilization.** This book represents a sample of the most penetrating and provocative scholarly interpretations of Jewish messianic movement from various perspectives- historical, sociological, psychological, and religious.

Stealing God

The Road to Redemption Series

[Accent Press Ltd](#) **Corrupt copper and bad Catholic Jimmy Costello is back, and he's studying to be a priest in Rome. But his old life refuses to stay buried . . . When a visiting archbishop dies in suspicious circumstances, the Kilburn hard man is asked to drop his religious studies and help local police investigate. Together with his partner Inspector Ricci, Jimmy follows a twisting trail of evidence from the streets of the Holy City to Glasgow and back, where they uncover a sinister plot more evil than they had ever imagined.**

Unfinished Business

From the Author of Road to Redemption

The story is set in a fictional world, showing the dangerously deepening divide between two civilizations that peaks in a bloody clash. Tracing the ominous rise of its central character, the story highlights his passionate zeal to unify his scattered race, stopping at nothing but world rule. His road is battle-scarred as he continues to go from one triumph to the next. The world is his war zone, as we are made witness to his nefarious strategies that hold powerful governments shell shocked, unable to comprehend or keep pace with the diabolical mind of the most wanted man on the planet. His mask of a benefactor beguiles all in a lulling, false stupor until the day arrives when he throws it aside and takes a

look at himself. A tight, fast-paced action-packed thriller races through events across continents. Furtive political machinations and maneuvers indulged in for power on a stage of world politics. Its hail to Evil and the Good too! For nothing ends. It's always unfinished. A billion miles away from Earth exists a small planet called Surovia in another universe, floating in a reflective dimension, some say, has striking similarities to Earth, in more ways than one. After centuries of languishing in beatitude and peace, one day it tasted the fruit of power, and gradually over an amazingly short span of fifty years, descended from being a beautiful paradise into a living hell. Wherefrom the deadly fruit had come, nobody knew and didn't care. The entire populace was blind and drunk, living on the edge of a superficial swamp, which just sucked and sucked and sucked. The men fought needless wars, dying for false honor. The women sold themselves for money and fun. And the children were fast hurtling themselves towards the making of a far more dangerous generation. A new breed that would one day cause the final extinction of Surovia. All that would remain would be a zillion tiny particles, lifelessly moving along in an eerie, limitless space, suspended somewhere in a dark universe, far away from anywhere. Surovia was dominated by the Yanar race, which held control over half the world. It was a race that felt superior to all and practically dictated world terms. With a violent history, they had now over the years, built a cover of sophistication and respectability, which is natural with the coming of success. They worshipped their god, Tiyan, and encouraged freedom for all. But unfortunately, freedom let loose had degenerated into sheer licentiousness with barely any effective controls or discipline, and they were facing problems in every sphere of life, with corruption, deceit, sex, and sadism rampant. Nearly rivaling the powers of the Yanars, yet lagging in strength, influence and cohesion, was the Dianver race. Radical in thought, their religion, Issalla, had prophesied world rule and dreamt of toppling the Yanars one day, whom they called "non-believers." They believed all their violence was the will of their god, Ehaal, and they were his instruments merely carrying out his wishes. Recent years of tension and hatred, chiefly emanating between the Yanars and the Dianvers, were slowly manifesting themselves in the dark clouds which could be seen gathering now, foreboding days of doom that would rain death and destruction on all, in times to come. The past five decades of mutual hostility had resulted in the creation of a demilitarized zone that virtually sliced the world in two. The most heavily guarded border on the planet had deadly electric fencing running all through. It was only a matter of time now before Surovia would be a mute witness to the changing power equations in its world, signaling a flashpoint, before it closed its eyes forever. Could Surovia's young manage to survive their generation? It seemed doubtful.

Mani

His Life and Work: Transforming Evil

[Temple Lodge Publishing](#) Mani, the founder of the spiritual movement that has come to be called "Manichaeism," established an influential teaching that spread swiftly across Asia, Africa, and parts of Europe, but was later brutally suppressed. Little was known about this "Gnostic" religion until archaeological findings in the twentieth century revealed important aspects of Mani's biography and philosophical thought. Many years before those physical discoveries, Rudolf Steiner provided key esoteric insights based on his personal spiritual-scientific research, into Mani's life and work. Richard Seddon assembles pieces of the academic and esoteric puzzle, offering a lively and colorful picture of Mani and Manichaeism. He gives a succinct outline of Mani's life, the fundamental aspects of his teachings, and a description of the future spiritual role of Manichaeism. Seddon creates an image of a great Christian initiate leading a movement with the critical task of transforming and ultimately redeeming evil.

Once Upon a Time in the Contemporary World

Modern Vision of Old Stories

[Cambridge Scholars Publishing](#) This volume brings together a selection of streams present in modern mass-media culture, from classic cartoons to TV series. The chapters form a rich mosaic of interconnecting themes, and highlight the current process of transforming well-known fairy-tale plots. The book considers recent media productions, such as "Once Upon a Time" and "Beauty and the Beast" as modern fairy-tales for children and adults, showing these new versions of familiar characters to reflect the psychological demands of the contemporary audience in the post-modernist cultural environment. In addition, the book explores new Internet fiction genres, including fan-fiction, interactive fairy-tales, and fairy-tale blogs. As a part of cultural studies, the book considers classic cartoons based on books, such as "Mowgli" and "The Little Prince", from philosophical and cross-cultural points of view.
