'ROGUES AND VAGABONDS'

VAGRANT UNDERWORLD IN BRITAIN 1815-1985

Routledge In this lively social history, first published in 1988, Lionel Rose explores in detail the plight of the street poor between 1815 and 1985. He describes the Victorian 'Rogues and Vagabonds' who made eliciting peddling, begging, frauds and other petty crime their profession. He considers the relevant legislation and systems for coping with the street poor, from the 1824 Vagrancy Act and accompanying improvements in policing, through the casual ward systems of the workhouses and the role of common lodging houses, to the development of Social Services in the 1940s and local authority provision of accommodation. This title will be of interest to students of history, criminology and sociology.

ROGUES

TRUE STORIES OF GRIFTERS, KILLERS, REBELS AND CROOKS

Pan Macmillan THE NEW YORK TIMES BESTSELLER From the prize-winning, New York Times bestselling author of *Say Nothing* and *Empire of Pain*, twelve enthralling stories of skulduggery and intrigue by one of the most decorated journalists of our time. Patrick Radden Keefe's work has been recognised by prizes ranging from the National Magazine Award and the National Book Critics Circle Award in the US to the Orwell Prize and the Baillie Gifford in the UK, for his meticulously reported, hypnotically engaging work on the many ways people behave badly. *Rogues* brings together a dozen of his most celebrated articles from the *New Yorker*. As Keefe observes in his preface: 'They reflect on some of my abiding preoccupations: crime and corruption, secrets and lies, the permeable membrane separating licit and illicit worlds, the bonds of family, the power of denial.' Keefe explores the intricacies of forging \$150,000 vintage wines; examines whether a whistleblower who dared to expose money laundering at a Swiss bank is a hero or a fabulist; spends time in Vietnam with Anthony Bourdain; chronicles the quest to bring down a cheerful international black-market arms merchant; and profiles a passionate death-penalty attorney who represents the 'worst of the worst', among other bravura works of literary journalism. The appearance of his byline in the *New Yorker* is always an event; collected here for the first time readers can see how his work forms an always enthralling yet also deeply human portrait of criminals and rascals, as well as those who stand up to them.

THE ROAD

Pan Macmillan The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.
