Batman: a Death in the Family the Deluxe Edition

"The death that changed Batman forever is captured in this chilling hardcover edition that hasn't been released in a decade! In 1988 Batman readers were allowed to vote on the outcome of the story... and they decided that Robin

should die! Jim Starlin's devastating graphic novel classic left shock waves throughout the comic book industry, many of which are still felt today! As the second person to assume the role of Batman's sidekick, Jason Todd had a completely different personality than the original Robin. Rash and prone to ignore Batman's instructions, Jason was always quick to act without regard for consequences. In this fatal instance, Robin ignores his mentor's warnings when he attempts to take on The Joker by himself, and pays the ultimate price. Driven by anger, with Superman by his side, Batman seeks his vengeance as he looks to end The Joker's threat forever. This tale of loss, guilt and brutality is considered one of the most defining pieces in the Dark Knight's mythology."--
