Old-House Journal

Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.

Vehicle Rescue

Now in its second edition, this revision of the classic bestseller maintains its systematic approach to rescue operations. The text treats vehicle rescue in terms of its component parts, each "phase" building on those that precede it and leading into those that follow. From key preparation in designing and equipping the unit, training the crew, and managing incident scene hazards, to gaining access, disentangling, and packaging the patients, readers will be taken through all the essential techniques with step-by-step instructions divided into 12 phases. This pioneering approach to presenting the information has enabled three decades of readers to save thousands of people from needless pain, crippling injuries, and death.
